5. FDBA Director Report

Ms. Madeksza reported that the first Downtown Community Market was held on Wednesday, June 16, 2021 from 4:00 p.m. to 8:00 p.m. and was a great success. She checked in with downtown businesses and their feelings were that the event was worthwhile and should continue. The Market will continue to operate each Wednesday through September 8, 2021 and it is hoped that it will return next year.

Ms. Madeksza also reported that construction of the surface parking at the Flagstaff Senior Living site has begun. Improvements will take two to three weeks and there will be about 90 additional surface parking spaces upon completion. The improvements are not being paid for with Park Flag funds and is part of the City's commitment to bring downtown parking as part of the Courthouse bond. The parking should come online next month, and attention will shift to the use of the old courthouse site.

Lastly, the summer is ramping up with Movies on the Square beginning on Saturday, July 3, 2021 and will continue each Saturday through September. There is also work being done to coordinate the Friday night concert series.

Member Chatinsky asked if a parking garage will be built downtown. Ms. Madeksza stated that there will be a parking garage on the Flagstaff Senior Living site. The arrangement with the city is to have temporary surface parking now with the garage coming later. Construction of the garage is based on when Flagstaff Senior Living receives their tax credits for construction. Once that happens, the city will be paying for and will own 100 parking spaces on the first floor and Flagstaff Senior Living will occupy the second floor. The garage is close to certain and the intent is for whatever development that comes in at the old courthouse site will include some sort of structured parking.

Member VanLandingham expressed excitement about the vitality that the community market is bringing downtown and the addition of the parking that they have been waiting so long for.
