

CONSENT TO REMOVE GRAFFITI

The Downtown Mesa Association (DMA) provides graffiti removal from public and private property within the district. Our Clean Team Ambassadors remove or cover graffiti from the first floor of buildings or other structures visible from the public right of way.

With this authorization, DMA will promptly attempt to remove graffiti upon observing it or receiving a request (weather, Sundays, and holidays excepted). Larger or unusually difficult tags may require prior approval before removal.

Fees:

- Up to \$50 per tag (4 sq. ft. or smaller)
- Up to \$75 per tag (larger than 4 sq. ft.)

Removal Options (select one):

- ☐ Use DMA's standard removal technique
- ☐ I will provide matching paint for DMA
- ☐ I will remove the graffiti myself

Environmentally friendly methods will be used (no sandblasting or harsh chemicals). DMA is not responsible for covering exposed materials. Property owners agree to hold DMA harmless for damages if work is performed in good faith.

By signing below, I authorize DMA to perform graffiti removal at the property listed and agree to pay fees promptly upon invoicing.
