Dear Property Owner,

The Downtown Mesa Association (DMA) provides graffiti removal from public spaces within the district boundaries. Additionally, for a fee, DMA will provide this service to private property within the district. Our Clean Team Ambassadors will remove or cover graffiti from the first floor of buildings or other structures whenever the graffiti is visible from the public right of way. With the permission of the property owner, DMA will automatically remove this graffiti within 24 hours of observing it or within 24 hours of receiving a request from a property owner to remove it (subject to weather conditions, Sundays and holidays excepted). DMA will contact the property owner for approval prior to proceeding with any graffiti removal that, due to unusual application or size, will require a greater fee to remove.

Consent to Remove Graffiti

Permission is granted to the Downtown Mesa Association to remove graffiti from the structure listed below for a fee to be negotiated with the property owner (up to $50 per graffiti tag measuring four square feet or smaller or up to $75 for tags measuring larger than four square feet) using the method specified below:

_____ I would like for DMA to provide their standard graffiti removal technique
_____ I will provide the matching paint to DMA to cover the graffiti
_____ I do not want DMA to remove the graffiti & I will be responsible for the removal

DMA will not cover existing exposed materials and will use a graffiti removal process that is environmentally friendly. No sandblasting or harsh chemicals will be used in the graffiti removal process. The property owner hereby holds harmless DMA and their agents for any damage caused as a result of these services provided that DMA acted in good faith and without gross negligence.

The undersigned hereby states that he/she is authorized to grant such permission on behalf of the property and agrees to make payment promptly when invoiced for graffiti services conducted as a result of this consent.
