THE NERD - ORDER CHAOS THEATER COMPANY Herberger

Theater Center: What happens when the man who once saved your life becomes the man most likely to ruin it? In Larry Shue's riotous comedy The Nerd, mild-mannered architect Willum Cubbert finally meets Rick Steadman — the heroic ex-GI he's spent years praising but has never actually seen. When Rick arrives unannounced at Willum's birthday party in 1979 Terre Haute, the long-awaited reunion quickly spirals into comic disaster. Rick turns out to be a spectacularly awkward, boundary-obliterating nerd whose well-intentioned but catastrophic behavior upends Willum's home, career, and sanity. As Rick settles in for a stay that feels like it may last until the next century, Willum and his friends scramble to survive the escalating chaos — only to discover that in this farcical whirlwind, nothing is quite what it seems.
