This October, though, ghosts confined in eternal repetitions of their suffering will become fully visible to us & if we're not careful, we will become visible to them. Your guide will lead you through this undead terrarium as we, the living, must pay witness to the dead to survive... Witness six plays intertwined, each infused with terror, peak curiosities, goosebumps, and heart-rate increases for guests. HAUNTED CASTLE returns this October to invite you to survive a collection of horrifying Irish legends. Will you accept the invitation?
