

## 10/26/23: Booth Numbers and Hotels

Hello Artists,

I wanted to share with you that booth numbers are now added to your Zapp profile for Tempe Festival of the Arts. Please refresh your browser to see booth assignments. I am hopeful that most of you received what you had requested or close to it. Unfortunately, it is impossible to give everyone what they are hoping for, as many artists want the same placements.

Please keep in mind the following:

- 1) If you requested a double, you will see two booth numbers.
- 2) If you purchased something and didn't get it (example - you paid for Zone A Corner but received Zone B Corner) ... don't worry, I'll refund the difference; however, I will also be trying to move you into your requested space.
- 3) If I was able to upgrade based on your request (example - you paid for B but asked for A if it was available) ... I'll be sending an invoice in the next week.
- 4) I do make mistakes, every single day (just ask my husband or kids 😊), so if there is something off - please let me know and I'll do my best to correct it.

Thank you for your grace and understanding. I wish every one of you could get exactly the spot that you want!

Also, if you need a hotel for the art festival, please be sure to check out [this page](#) on our website for discounted room rates. Please note, some hotels require booking this month to receive the special rate.

I hope you all have a great evening and I'm looking forward to seeing you in less than two months! Look for subsequent emails from me with all the necessary information for a successful event.

Best,  
Kim
