**Parking** –You do not have to purchase parking from us. You can park anywhere during the festival that works for you. Parking options can be found at our website <https://www.downtowntempe.com/get-around/parking> and the majority of you end up parking on your own. If you WANT to park in our coordinated lot, we have a limited number of spaces. This is a new lot, closer than last year. We will not be providing trolleys.

If you have an over-sided vehicle or a very tall vehicle that can't go in a standard garage, then consider parking with us. The rates are similar in the entire downtown. The parking lot is indicated on the map below with a star. The beginning of the festival is indicated with an arrow. If you DO want to utilize this lot, you can purchase "Parking" in Zapplication for \$30. Keep in mind that you need one spot for each space you will be using. If you need two spaces to unhitch a vehicle from a trailer, you need to purchase two parking passes.

Our parking will be valid for three days and four nights, Thursday-Sunday. If you have additional parking questions, let me know. If you purchase parking through Zapp, I'll follow up with instructions.
