

## Parking Option – Surface lot, \$30, purchase in ZAPP

**Parking** –We have one lot that we have reserved for artists during the festival, but you do not have to park in this lot, it is simply ONE option for you. A detailed list of parking options can be found [HERE](#). The majority of artists end up parking at a variety of locations depending on their booth location and their vehicle size. If you WANT to use this lot, purchase in Zapp for \$30 for the run of the show.

This lot is a surface lot located about five-minutes (walking) from the northern entry of the festival. If you have an over-sided vehicle or a very tall vehicle that can't go in a standard garage, then consider parking here. The parking lot is indicated on the map below with a star. The beginning of the festival is indicated with an arrow. Keep in mind that you need one spot for each space you will be using. If you need two spaces to unhitch a vehicle from a trailer, you need to purchase two parking passes.

This parking will be valid for three days and four nights, Thursday-Sunday. If you have additional parking questions, let me know. If you purchase parking through Zapp, I'll follow up with instructions and a permit for your dash. Again – YOU DO NOT HAVE TO PARK IN THIS LOT – feel free to park wherever is best for you.
