

Tempe Festival of the Arts

Young Artist Exhibition

Rules & Regulations

Spring 2024

Thank you for sharing your student's work with us! Please read the following information carefully.

The spring season of the Tempe Festival of the Arts will be held in downtown Tempe from March 8 - 10. The Young Artist Exhibition will be open throughout the duration of the event.

Artist Requirements + Permission Form

Artists must be in kindergarten – 12th grade and have a signed Permission Form to participate. **We will not accept pieces without signed and completed permission slips, no exceptions.** We will be using the information directly from this form to create art labels for display so please double check that the spelling and answers are accurate. Please submit only **one** form per child. If multiple forms are submitted with varying answers, we will select one form and delete the duplicates.

Sold Art + Prize Money

If a piece is listed for sale, the exact price must be written on the Permission Form to be put up for sale. Prices listed in ranges (ex, \$30-\$50) or in imprecise amounts (ex: "to the highest bidder") will be listed as "Not for sale." If your student's art sells, they will receive payment in the form of a check.

Additionally, if your student(s) have won a 1st, 2nd, or 3rd place award, they have also won some prize money! Honorable Mentions will receive a ribbon and recognition on the website, but they do not receive a check.

You may pick up the checks at our office during art pickup on April 1 - 5 during regular business hours (8AM – 5PM). Any checks left behind after April 5 will be mailed to the address listed in the student's Permission Form. If your student has not received their check by the end of April, please reach out!
