SPRING 2023

HELP US SPREAD THE WORD!

Tempe Festival of the Arts has a 50+ year history in Tempe and takes place in early December and late March each year. It is one of the oldest festivals in the Southwest. The festival has grown to become a Tempe point of pride and a favorite of our residents and visitors. Guests enjoy artists from around the country, local music, a Kids Block and many great food options - all located on the streets of historic Mill Avenue.
