ESSENTIAL FUNCTIONS

Manual Litter Collection – circulate through assigned work zone with a rolling can containing supplies and tools to take care of address the following tasks:

Removing litter, fast food bags, cups, containers, cigarette butts and other debris on sidewalks, street gutter, and alleys. Trash removal and cleaning the sidewalks are mostly what Ambassadors do. Anything that keeps your district from looking clean and inviting has to go.

Remove graffiti and posters from light posts, trash cans, news boxes and other public infrastructure. We look high and low for anything in eyesight that needs to be removed. You know those stickers for bands and bars? Handbills that junk up the telephone poles, well they got to go too.

Pull isolated weeds. Weeds, weeds, weeds, they seem like they sprout up overnight. We pull them all. Weed abatement is a big part of this job. Those weeds grow around the tree wells, the cracks in the sidewalks, the vacant lots, you name it. If there is a crack, a weed can get in.

Damp wipe and straighten horizontal surfaces, such as trash can lids, news boxes and other infrastructure. This is vital. WE have always cleaned and sanitized touchpoints. We clean everything that doesn't move.
