

Downtown Tempe Parking Guide

For Downtown Tempe Businesses

Parking in Downtown Tempe can be complex, with garages and lots serving businesses, employees, residents, visitors, and event attendees across a mix of public and private properties.

ParkIt, the Downtown Parking Management Team, works alongside **Downtown Tempe Authority (DTA)** to support parking operations and access throughout Downtown Tempe.

This quick guide explains:

What is ParkIt, who to contact with parking questions, & where to find more information.

When in doubt, start with ParkIt

If you are experiencing a day-to-day parking issue, **ParkIt is often the best place to start.**

ParkIt can help with:

- Parking equipment or gate issues
- Access problems
- Parking enforcement questions
- Existing validations and parking credentials
- Cleanliness, lighting, signage, and minor maintenance
- Event parking operations
- General operational parking concerns

Even if ParkIt can't make the final decision, we can often help direct you to the right person.

What May Require Property Owner Approval

Some parking decisions typically remain with the property owner or property manager, including:

- Parking rates
 - New or revised validations
 - Tenant parking agreements
 - Major access or operating policy changes
 - Capital improvements or large investments
-

Who Do I Contact?

Contact ParkIt when...

You have a day-to-day parking issue, or you're not sure who is responsible.

Contact the Property Owner / Property Manager when...

Your question relates to lease terms, parking agreements, negotiated rates, or other major property-level decisions.

Contact the City of Tempe when...

Your concern relates to streets, meters, municipal regulations, or public infrastructure.
