

Haiku Hike

living in the present moment

border love muy hot

summer is always here, yes

am burning for you.

- alvaro enciso

PARTNERSHIP**

Haiku Hike

living in the present moment

Ant carrying leaf
in the shadow of my foot.
A cloud passes by.

Haiku Hike

living in the present moment

Liberation is

what it means to feel free. A
moment of silence.

Haiku Hike

living in the present moment

crane fly on wine glass

i hear it's love you're after

spring has such long legs

- Elizabeth Salper

Haiku Hike

living in the present moment

WINTER

A cadre of ants

Working no rest clear debris

Emptiness let loose

- Eugene Scalercio

THE UNIVERSITY OF ARIZONA

Haiku Hike

living in the present moment

sound of a cello

for a moment her pale face

in the underpass

- Henryk Czempiel

PARTNERSHIP**

Haiku Hike

living in the present moment

By the trash can
Is a raccoon with its
Babies surviving

- Matthew S.
