Liam's List: World AIDS Day, Let's Glow SF, Drag Queens on Ice

FOODIE PICK: 7 ADAMS SF

A passionate partnership inside and outside the kitchen is cooking and the evidence is on the menu at 7 Adams, San Francisco. Meet David Fisher and Serena Chow Fisher the husband and wife team at the helm here (7 Adams named after the street where David grew up).

Their seasonal five course tasting menu takes you on a surprising, scrumptious culinary journey. The menu features one large family style entree. It requires conversation and some decision making by your party, be it a group or intimate dinner for two. (It's \$87 all inclusive and worth every cent).

Two featured dishes during my recent visit, one savory by Chef David & the sweet ending by Chef Serena:

Buffalo Wing & Chicken Breast
(Leg farce, salsify, buffalo wing)
Pairing: Almanac True Kolch

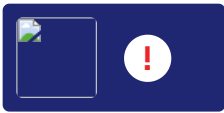

Apple Crumb Cake
(Lucy glow apple, satsuma, Jack & Remi orange-bay leaf ice cream)
Pairing: 2018 Chateau Laribotte Sauternes

7 Adams is where friends and family are invited to gather and share a delicious meal together. The best ingredients are sourced, the best wine served and the love and passion is evident in every single bite. Ooh did I mention the cabbage course? It changed my life in the most marvelous of ways. Not joking. Listen to the podcast for more. I could not recommend this spot more.

Enjoy my tasty talk with the husband and wife Chef team behind this new Fillmore food paradise that is 7Adams. Thank you Chefs David & Serena for sharing your talent and love with us. How lucky are we?
