Slay the day away! The Downtown SF Partnership (DSFP) is bringing back the beloved Drag Me Downtown series to ring in Pride Month. The weekly series of pop-up drag performances will feature some of the biggest names in San Francisco drag, every Thursday in June.

This week's sequin-studded lineup includes host Bobby Friday alongside icons, Afrika America and Oliver Branch

Drag Me Downtown invites visitors to experience downtown San Francisco in a new way by celebrating and uplifting the city's LGBTQIA+ community while generating economic activity in the district. In supporting local businesses by bringing foot traffic to the district, the event also encourages people to experience downtown in new and exciting ways, opening up new possibilities for the area.

Drag Me Downtown is free to attend, but pre-registered attendees will be guaranteed Pride swag. Pre-register here for \$10 and ensure your spot in the most glamorous crowd! All pre-registration proceeds benefit San Francisco's Transgender District, the first legally recognized transgender district in the world.
