

PUBLIC RECORDS REQUEST

The Downtown Center Business Improvement District (DCBID) is committed to providing accurate and timely responses to requests for inspection or copying of business records under the California Public Records Act. It is recommended that you use this form to facilitate processing your request. All requests must be sent via email to mashkenasi@downtownla.com or in person or by mail to 600 Wilshire Blvd., Suite 870, Los Angeles, CA, 90017. Requests for records are processed in the order received. When the records you request are located, you may purchase copies of records. Alternatively, you may inspect records at no charge during business hours at the address noted above: upon locating the records requested, you will be provided a proposed appointment date for inspection; once you have inspected the records, you can request copies of all or a portion of the records.

Please identify and itemize each record you are requesting with as much specificity as possible. An unclear request may result in delay or error in locating the records sought.
