FYI

For review before this comes up.

The CD ending in 3433 comes due on 11/3. That means we have until 11/13 to do something with it. We can roll the whole thing into a new CD, pull the interest out and roll the principal or do it for a smaller amount too. The term options we have as of today are

7 mo 4.2% APY

11mo 4.3% APY

13mo 4.8% APY

The banks analysts are expecting one more rate increase before the end of the year. Then stabilizing with 1-2 decreases expected over the course of 2024. With that in mind I think that the 13 month option gives us the best option today to combat what will probably be decreasing rates by mid 2024. However, I am open to whatever direction the group thinks best.

It is possible that rates will change before 11/3. The Fed does meet 10/31-11/1 but most are expecting a hold and no change in rates at this meeting. So it is a reasonable assumption that these will still be the rates in 2 weeks. If anything changes I will let you know.

# Proposal for Event Planning Consultant, East Village Association

Date: October 25, 2023

To: East Village Association Board Members and East Village Management Team From:

Justin Navalle, ItsFarOut, LLC

Cover Letter/Eligibility

Thank you for considering ItsFarOut to be your planning consultant for The East Village Opening Day Block Party as well as the other exciting activations the East VIllage Association has planned.

We posses an authentic dedication in developing a strong foundation for events in East Village, and believe our team would be an ideal candidate to collaborate with EVA.

Created in 2017, ItsFarOut is an East Village, San Diego based firm that creates, manages and activates venues, art installations, concerts, and festivals.

Our mission is to create opportunities for others to create. The team has been producing events for over 15 years ranging from 200 to 10,000 guests. It is important to build strong working relationships with local businesses and creators and we have a proven track record of doing great work and being great to work with.

The core team consists of:

**Niko Podimatis** - Director Of Operations: Niko has over ten years experience in planning and managing large scale events and currently is the Director of Production for TEDx San Diego and venue manager at Quartyard.

**Mirelle Schwalbach**- Marketing Manager: Mirelle has her Masters in communications from SDSU and is well versed in current social media communication trends, asset creation, e-mail campaigns, and paid ad management.

**Eric Medina** - Production Manager: Eric is the Director of Events at Omni Resort and has been in the corporate planning industry for the past eight years.

**Justin Navalle** - CEO: Anchored by a love for community activation & the arts, I have dedicated the past 15 years to the entertainment, event, and hospitality industry.

**Kelsey Eggleton** - Logistics Coordinator - Kelsey is a hospitality professional and supports day to day operations and logistics.

Robyn Spender - Director of Partnerships

Today, our team produces over 100 events a year with a large portion of them at our homestead, Quartyard.

We are very much capable and excited to do great work with The East Village Association team.

Sincerely, Justin Navalle
