- VII. Adjourn

Next meeting: 6/3/2020

PBID Management Plan

Environmental enhancements will include ambassador services and private security patrols to improve both reality and perception of public safety, streetscape and signage to make downtown more attractive, a trolley service, and parking management initiatives to better utilize existing parking and plan for future needs. Three categories of ambassador services are provided: clean, safety, and hospitality. Hospitality ambassadors will be provided in all three zones. Clean and safety ambassadors will be provided to parcels in zones 2 and 3 only.
