DISPATCH

The Hollywood Partnership Community Dispatch Center is located at 6562 Hollywood Boulevard, conveniently situated along the iconic Walk of Fame corridor. Accessible 24 hours a day, the facility serves as the headquarters for the Hollywood Partnership Ambassador Program, comprised of three teams of ambassadors, each with a specific focus on cleaning, safety, and hospitality. The teams work proactively to monitor the district at all hours, ensuring that trash cans are emptied, waste and graffiti are removed, sidewalks are pressure washed, and non-emergency safety issues are promptly addressed. Additionally, they are available to offer guidance and directions to visitors who need help navigating the area.
