WELCOME

TO HOLLYWOOD

Hey New Hollywood Business!

It is with great pleasure that I extend a warm welcome as our newest member of the Hollywood Entertainment District (HED). We are thrilled to have you join us and look forward to seeing the unique contributions your business will bring to the area. The HED is known for its creativity and innovation, and we believe your business will fit right in with our values and culture.

As a valued stakeholder in the Hollywood Entertainment District, you have access to the benefits provided by The Hollywood Partnership. We are a non-profit organization that manages the public realm within the HED, which is a Property-Based Business Improvement District (BID). This means that property owners within the district fund our organization to offer enhanced services that promote the cleanliness, safety, beautification, and economic vitality of our neighborhood.

To learn more about our services, please visit our user-friendly Hollywood Business Portal. Here, you can access information about our clean, safe, and hospitable services, sign up for our newsletter, complete or update your business profile for our online business directory, and much more.

Please do not hesitate to reach out to us if you need any assistance or support. We are always here to help one another and work together to create an environment that benefits everyone.

Once again, welcome to the Hollywood Entertainment District, we are thrilled to have you join us and look forward to getting to know you better.

Best,

Kathleen Rawson

The Hollywood Partnership Community Dispatch Center (HPCDC)

567.HLY.WOOD (567.459.9663)

The HPCDC is the headquarters for THP's enhanced Ambassador Program, consisting of three distinct teams of ambassadors - cleaning, safety, and hospitality. Team members proactively monitor the district day and night, cleaning out trash cans, removing waste and graffiti, pressure washing sidewalks, providing safety response for non-emergency issues, offering guidance and directions to help visitors easily navigate their way through the district, and more. Now, residents, businesses, and visitors can access dispatchers "on demand" to request assistance by calling or texting just one number, 567-HLY-WOOD. Our friendly dispatchers will be on hand to take calls for service and deploy staff as needed.
