Support Makes An Impact

The Hollywood Partnership (THP) works every day to keep Hollywood clean, safe, vibrant, and economically strong. But shaping the future of an iconic neighborhood takes more than one organization—or one funding source.

That's where the Hollywood Partnership Community Trust (HPCT) comes in. As THP's nonprofit affiliate, HPCT brings additional resources into Hollywood through grants, philanthropy, partnerships, and sponsorships to bolster programs and initiatives that improve the public realm.

Sponsorship of our Annual Meeting + Brunch directly supports HPCT, turning your investment in one morning into year-round impact across Hollywood.
