LITTLE ITALY DOG PARK

Little Italy is one of the City's oldest urban ethnic neighborhoods and business districts. We are not endowed with abundant park space and places of respite for local residents and their pets. The Little Italy Association of San Diego wants to complete a new dog park at Amici Park on a portion of Washington Elementary play field that has been leased to the Association in 66-year lease with the San Diego Unified School District. This will allow the Association to provide an improved Little Italy Dog Park for the thousands of dogs in the neighborhood. The goal is to create a large dog and a small dog no-leash area. The new Little Italy Dog Park will have artificial turf for the dog yard; a security gate; fencing; new sidewalks; shaded benches and seating areas; new trees and landscaping; and a hybrid drinking fountain for dogs and people.
