PIAZZA COSTANZA

\$150,000

Margaret "Midge" Costanza was a social and political activist who served as a top advisor to President Jimmy Carter. Known for her wit, outspoken manner and commitment to her convictions, she fought for the rights and dignity of all people, particularly women, the LGBTQ community, and other marginalized groups. The daughter of Sicilian immigrants Midge Costanza became the first City councilwoman in Rochester, New York in 1973. She later rose to become the first female Assistant to a U.S. President. Midge moved to San Diego in the 1980s where she was active in numerous organizations and issues. She had the rare ability to bring together people with different viewpoints to accomplish a shared civic goal. In honor of her outstanding service, the Little Italy Association would like to create a new Piazza Costanza which would include a monument with a bronze bust sculpture of Midge, custom planters with quotes from Midge with enhanced landscaping, hanging flower baskets, and tables and chairs with umbrellas.
