Employee of the Month

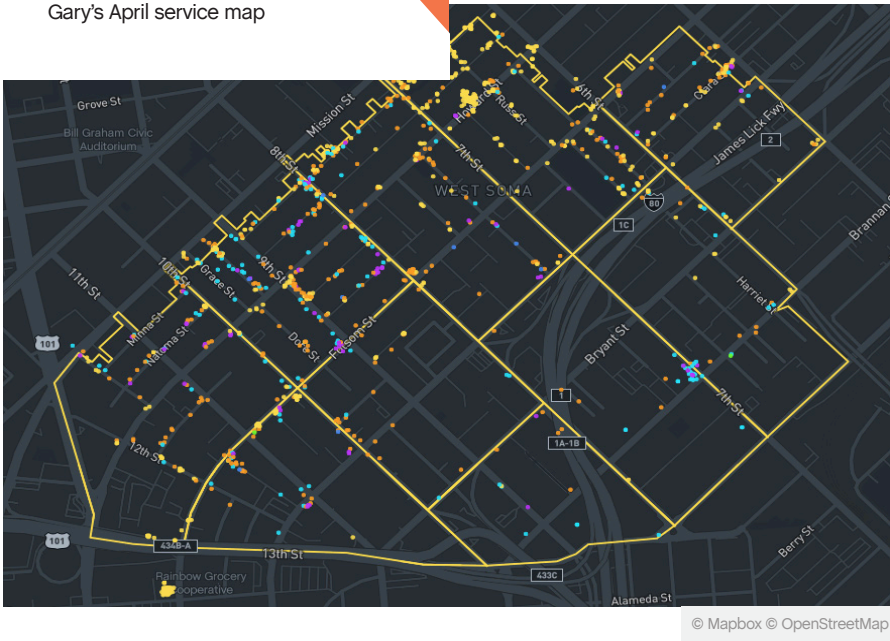

Gary Pinkham

April 2022's employee of the month is Gary Pinkham! Gary has only been with the company since February of 2022 but has shown outstanding work ethic and team leadership qualities. He is originally from San Jose and has only been in San Francisco for several years. Gary is an Army Vet and worked in the Shipyards in San Diego and construction in Colorado. On his days off, he enjoys collecting coins and working out. We're grateful to have Gary on our team and look forward to a bright future with him in our neighborhood.
