

Monthly Operations Report

February 2024

The background of the report cover is a photograph of a lake at sunset. The sky is a mix of orange, red, and purple, with dark, bare tree branches silhouetted against it in the upper right. The water is a calm, dark blue-grey. In the foreground, there is a rocky shore with dry, brown leaves and some sparse vegetation.

Employees of the Month

Deandre Barney & Dagoberto Cervantes

This month, we decided to award two employees of the month because these individuals went above and beyond their normal capacity to meet a huge challenge. In February, there was a massive graffiti “party” held in our neighborhood, and several blocks were covered. It took our painters, Dago and Deandre, days to catch up with the mess, but they handled it all in stride. We’re grateful to them for their responsiveness and for the care they show towards the SOMA West neighborhood. You can take a look at some of the work they covered from that task. If you see them out in SOMA, make sure to say hello!
