Employee of the Month

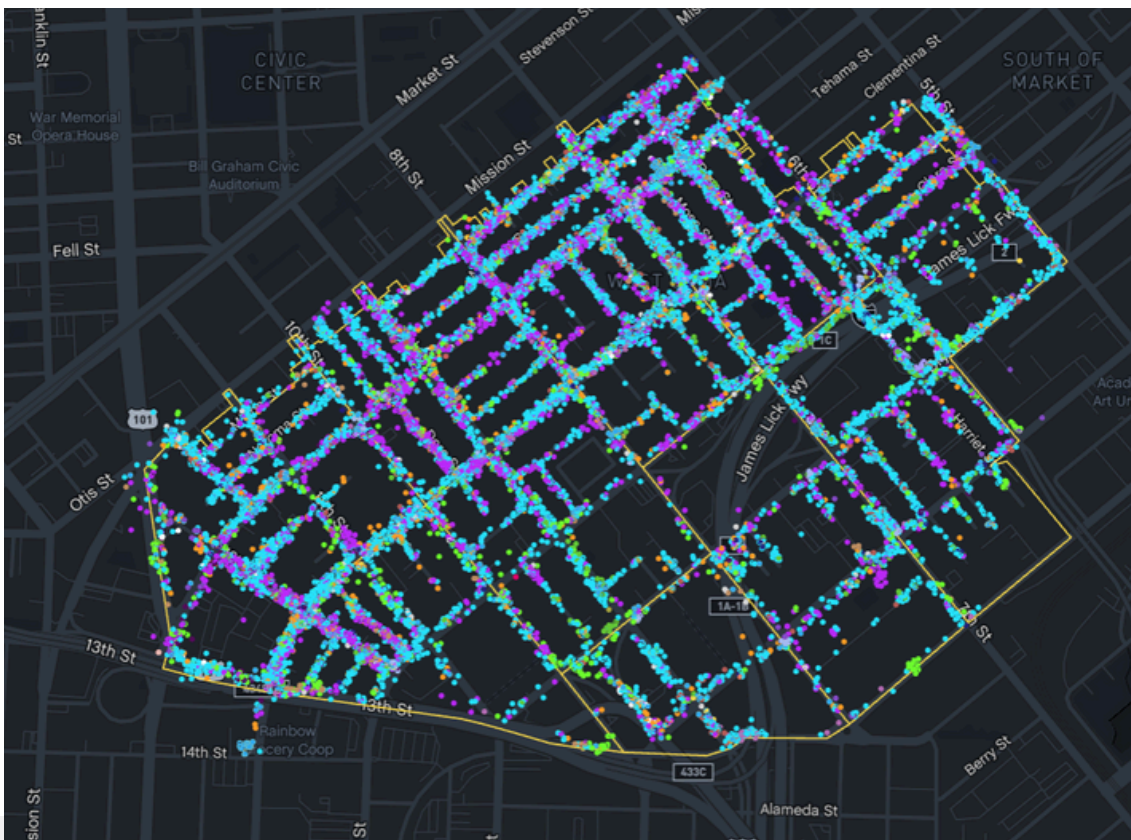

David Lewis

David serves as a SOMA West Ambassador Supervisor. In his impressive four-year career at SOMA West, Mr. Lewis swiftly rose to the supervisor position. Born and raised in San Francisco, David sets his sights on the best possible version of what SOMA can become with just a little motivation and appreciation.

David's main specialty lies in Bulk Pickups, resulting in major decluttering and trash pick-up here in SOMA. He works his hardest to lead by example but also be a reliable team player. 'I play a small part, but I know it can grow into something bigger.'

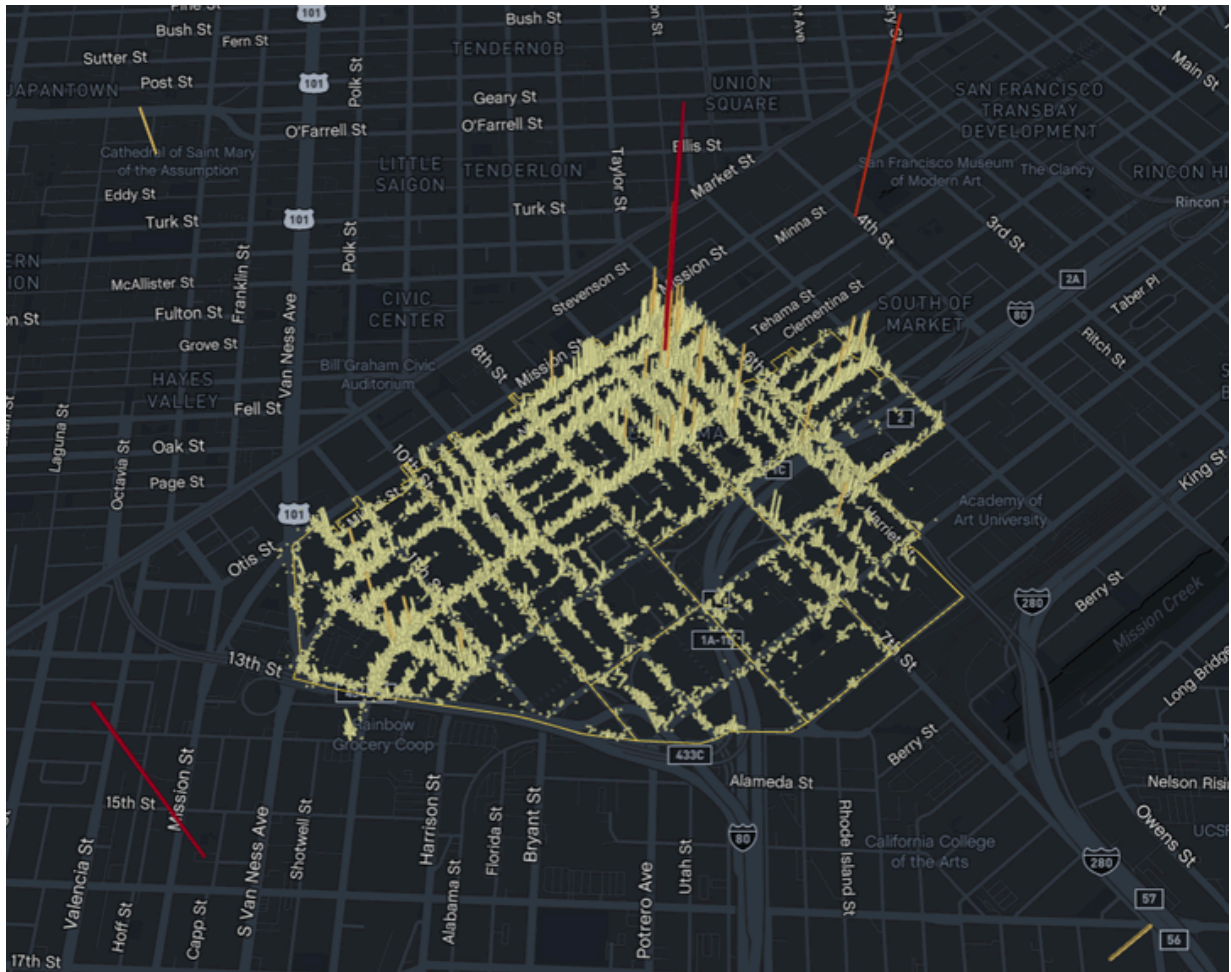

Since he started working with SOMA West over four years ago, David has been grateful for the opportunity to work in the community and inspire others. Some of Dave's personal interests revolve around strategic thinking and relationship building. He enjoys playing chess and getting to know more about the people he works with by taking his own time to bond with the rest of the ambassadors. If you see David around the SOMA West neighborhood, feel free to congratulate him on his success in adding value to the community.
