Monthly Operations Report

June 2026

**Our Clean & Safe Ambassadors provide services
6am-10pm, 7 days a week, 365 days a year.**

Overview of Clean + Safe Services

Core Clean & Safe Program *(property assessment funded)*

Yerba Buena Partnership's baseline Clean and Safe Team is responsible for services throughout the community benefit district's full boundaries. The team includes cleaners, pressure washers, safety/hospitality ambassadors, a special projects ambassador, a dispatcher, and management.

HEART Safety Program *(grant funded from the SF Downtown Development Corporation)*

This grant funds additional Safety Ambassadors (on top of the Partnership's baseline Safety team) to patrol the "Hospitality Zone", which is shaded light pink on the map.

Convention Corridor Cleaning Program *(grant funded from the SFDDC)*

The Convention Corridor team grows the Partnership's cleaning capacity with additional cleaners, pressure washers, and a special projects ambassador. Their additive services are focused on the streets highlighted in hot pink, which are the most heavily trafficked by conventioners, visitors, and transit users.
