

DOWNTOWN BOULDER 2023 STUDENT BANNER PROJECT

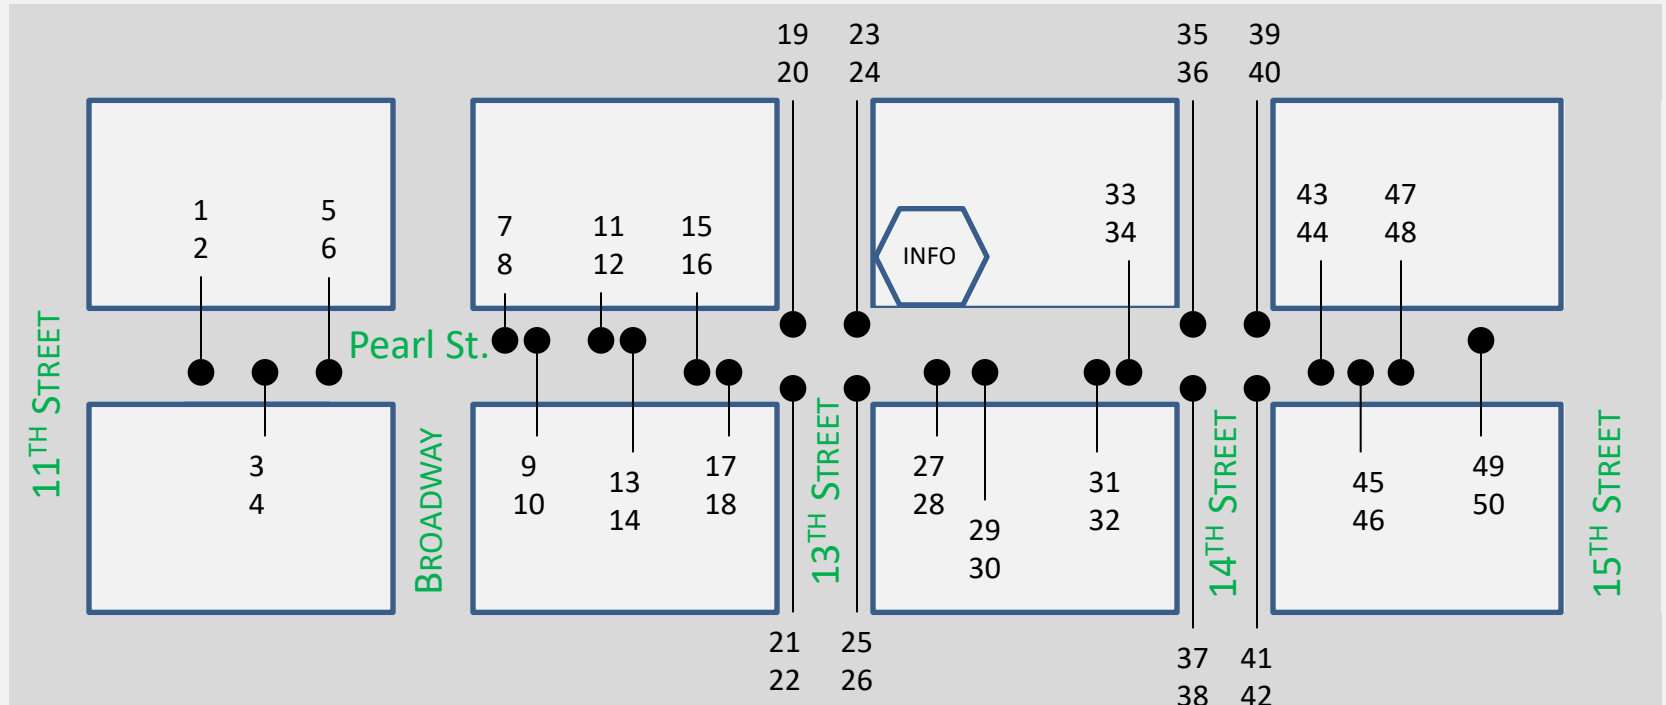

The eleventh annual Student Banner Project kicks off in mid-January, with 42 new lamp pole banners created by incredible young artists from **Columbine Elementary School, Casey Middle School** and **Boulder High School**. Mediums used to create the banners range from pencil art and water colors to collage.

This year's banner artists imagined and crafted their work to answer these thematic questions: *What do you do in your life to lift your spirits? To keep you connected and happy? What brings you joy?* We hope that you will enjoy strolling and taking a look at these banners, which span four blocks of the Pearl Street Mall. The banners will be on display through mid-April 2023.

The Banner Project is presented by Boulder Arts Week, Boulder's only large-scale, inclusive celebration of our community's vibrant arts and cultural offerings, which takes place April 7 – 15, 2023.
