East End

Find clues on Pearl Street between 16th & 20th Streets

Best times to play: Tuesdays – Sundays 11 am – 5 pm

Clue One: This very special place lets you paint your own pottery at their paint parties or on your own. No matter what you choose, these ceramics will be colored your way!

Clue Two: A new art gallery in town that begins with the letter R, this sweet space sits on the north side of Pearl Street across from three restaurants (think Fine Dining, Pizza and Vegetarian) and a law firm. Synonyms for this gallery's name include Sanctuary, Resort and Shelter.

Clue Three: Another block west, and across the street, your next store is a clothing boutique that sells premium quality women's and men's active lifestyle clothing and accessories. You can walk there, but it may help you to find it if you try and RAMBLE. Fun fact: this business hosts an Apprentice Program for adults with developmental disabilities.

Clue Four: Across the street, this go-to gift shop is a unique and timeless boutique that offers an imaginative medley of home accents, accessories, and greeting cards. For its name think of a word that also means JOY, PLEASURE or DELIGHT.

Clue Five: Head west past that delicious breakfast place with the bright orange decor to your last stop on this hunt: a place to find all things Boulder and Colorado – whether it is a Colorado magnet or a CU shirt for the kids.

**Don't forget to see the store associates
at each stop for prizes!**

West End

Find clues on the 800 block of Pearl Street.

Best times to play: Tuesdays – Sundays 12 – 5 pm

Clue One: Begin this adventure on the southeast corner of Pearl and 8th Streets. Fairies love shiny things (like jewels) to go with their beautiful rainbow scarves. This "gypsy" place with a purple exterior has both.

Clue Two: Homemade candy and cakes, mixed with a little bit of peace & love does the world good. Find them all under one roof here (across the street) with your next clue.

Clue Three: The name of your last stop is not one hand and not three hands, but this very nearby shop offering decorative papers from around the world, handmade journals and other artsy supplies has everything you need to get creative at home.

If you take any photos while you're out celebrating and hunting we'd love to see them! Tag us @downtownboulder on social media or email them to us (events@downtownboulder.org).

We welcome your feedback as well!

Don't forget to see the store associates at each stop for prizes!

Broadway

Find clues on Spruce (west of 13th Street) & Broadway (north of Pearl).

Best times to play: Tuesdays – Saturdays 10 am – 4 pm.

Clue One: Begin your adventure on the corner of Spruce and 13th. We are on the hunt today to celebrate flowers and fairies, but these ladies celebrate these magical and medicinal plants all-year-round! The name of this shop starts with an R (HINT: it's someone's name) and reminds us of the natural magic of plants.

Clue Two: This shop sells important items to protect our eyes as we search carefully for tulip fairies around our sunny, Colorado home. They make their very own glasses and sell them to grown-ups and kiddos in their shop, across the street from your first stop, which begins with the very last letter of the alphabet.

Clue Three: Brand new to downtown is this mountain lifestyle retailer with a love for the outdoors and comfortable clothing. From your last stop, you'll swing around the corner and head towards the Pearl Street Mall to find them. If you reach the alley named after a famous Boulder lady, you've gone just a little bit too far.

Clue Four: The top stop in town for all things spiced! Look across that super busy street from where you are now and find the red and green colors outside of this store.

Clue Five: The last stop is a fine art gallery focused on representing local artists & carries art that everyone can enjoy and afford. From your current location, just head south (towards the Pearl Street Mall) and look for the art in the windows just a couple of doors down.

Don't forget to see the store associates at each stop for prizes!

Pearl Street Mall – Wide side

Find clues along the Pearl Street Mall between 11th and 13th streets. Best times to play: Wednesdays – Sundays 11 am – 6 pm.

Clue One: Begin this adventure on the corner of the Pearl Street Mall and 11th Street. This iconic Boulder store, with all of its twists and turns (on every floor,) is full of all the best picture books and chapter books! Bonus: While you're there, check out the Short Story Dispenser (courtesy of the Boulder Public Library Foundation.)

Clue Two: A little bit east and across the way, the fabled jackrabbit with antlers that hops around the West gives this Pearl Street shop its name. These guys are close friends with the fairy queen herself!

Clue Three: On the next block of the Pearl Street Mall, on the south side, this store specializes in handcrafted, unusual lighting, fabulous jewelry with an earthy, elemental vibe, and a unique collection of goods made by artisans- local, national and international.

Clue Four: Just a few doors down from your last stop, this is the best place on Pearl Street for all things honey! We think they are truly fa-BEE-ulous!

Clue Five: From your current location, just head towards the Pearl Street Mall and look for the art. To find her way through all of the flowers along the Pearl Street Mall, the fairy queen needs an enchanted map. There is only one place to find rare maps here on Pearl Street, and it's across from your last stop and just a few doors further east.

Don't forget to see the store associates at each stop for prizes!

Pearl Street Mall – East side

Find clues along the Pearl Street Mall between Broadway and 15th Street.
Best times to play: Tuesdays – Sundays 11 am – 6 pm.

Clue One: For your adventure today, start off at the Courthouse. These "cow cousins" are famous in Boulder. Perhaps their most famous is Ralphie, who runs at CU's Stadium during football games. Your first stop on this hunt is where they roam here on Pearl Street.

Clue Two: Head east to the next block. This is the very best place to find toys & games & especially colorful kites to use on windy days.

Clue Three: Just a couple doors east, your next stop is a long-time jewelry store that also specializes in Swedish clogs, Minnetonka Moccasins, crystals and a variety of stone specimens with the name meaning "The Parrot" in Spanish.

Clue Four: The next store, just a bit further east along the block, whose name begins with the letter K, has many different kinds of fudge, chocolate, and things covered with chocolate and even ice cream! It's one of the fairy queen's favorites!

Clue Five: Your final stop on this hunt is across the Mall from where you are now. We wish every store were like this one with basically every kind of candy (and FIZZY drink) you could ever think of all in one place.
