# THE STRAIGHT & NARROW

With its long and lean layout, this property will literally put you in the straight and narrow - though that doesn't mean straight laced and boring. The layout is an efficient 1,315 square feet of office/retail space located right on Longmont's charming (and booming) Main Street. It's also nestled between established anchor businesses. Add in a clean, modern feel and you've got a space that is ready to follow your vision... be it one of angelic virtue or something with a few devils in the details.

## PROPERTY HIGHLIGHTS

- Desirable small office or retail space with Main Street frontage
- Completely updated with fun kitchen space
