IT'S A BEAUTIFUL LIFE

Market Real Estate presents this storied and stunning investment opportunity on Longmont's Main Street. Perfect for either an owner-occupant or investor looking to own a piece of downtown. The main floor retail/restaurant is a sprawling 6,000 SF with a versatile event space and restaurant area, a hand-built service bar, over 500 square feet of trottoir (patio), and a full-service kitchen with FF&E included. The property comes with a hotel/restaurant liquor license. The second level offers an exquisite, large office space with a massive skylight and a mix of private offices, open studios, and bullpen work areas. Target office tenants, event space users, or convert to residential. Both floors have charming ceramic ceilings, architectural flourish, and fire suppression throughout. Other bonus features include well-maintained HVAC, a fire suppression system throughout, and an elevator to the second floor. The property is beautifully maintained, and it is truly a must-see.

DOWNTOWN LONGMONT

Downtown Longmont is your destination for small town charm and modern urban grit. With innovative businesses, authentic people, tangible history, and Colorado's best craft culture, Downtown Longmont has something for everyone. The southern end of downtown is the city's main focus when it comes to development. An expected 1,000 new housing units are expected to be added within walking distance of 471 Main in the next five years.

CURRENT DEVELOPMENT PROJECTS

- The Spoke on Coffman: A mixed-use neighborhood featuring 73 permanently-affordable rental homes, 60 parking spaces and commercial space.
- South Main Station Redevelopment: This project is located at the gateway of the south end of the Downtown District (1st Ave. and Main St.) and brings new residential housing, retail, restaurants, and more. Demolition began in 2017, Phase 1 was completed in 2019 and Phase 2 is in process.
- First & Main Station - Area of redevelopment led by the city, which includes the preparation of multi-modal transit development. An expected 1,000 new housing units are expected to be added to this area in the next five years.
- Alleyscape and Breezeway Project (Complete): Revitalization of the parking lots, alleyways, and breezeways that are essential to the growth and development of Downtown.
