Longmont Theatre Company Announces "The Greatest Show" Summer Camps for Young Performers

LONGMONT, CO – The Longmont Theatre Company is proud to announce its 2026 **Stages Academy Summer Camp Series**, *"The Greatest Show,"* a dynamic lineup of youth theatre experiences designed to inspire creativity, build confidence, and bring stories to life on stage.

Running June 1– July 31, 2026, the program offers full-scale musical theatre productions and skill-building breakout camps for students ages 6–18. Camps are led by experienced theatre professionals and take place in the heart of downtown Longmont.

At the center of the program are two fully staged musical theatre intensives:

- **Winnie the Pooh Kids** (Ages 6–11, mornings)
- **Shrek Jr.** (Ages 12–18, afternoons)

Students will rehearse throughout the month and perform for live audiences June 27–29, gaining hands-on experience in acting, singing, dancing, and backstage collaboration.

In addition to the intensives, students can explore a variety of one-week breakout camps, including:

- Musical Theatre (voice and dance)
- Face OFF: Special FX Makeup
- Page to Stage (create an original production)

Families will also benefit from flexible payment options, including the ability to pay weekly, and **Stages Academy members receive a 10% discount** on all summer programming. Scholarships are available to ensure accessibility for all students.

With limited spots available and high demand expected, early registration is strongly encouraged.

Registration is now open:
