REQUEST FOR QUALIFICATIONS

RFQ-202405-01 (Addendum #2)

General Engineering Services in Support of I-75/I-85 Capping from Baker St/Piedmont Ave Bridge to Ted Turner Drive Bridge and Associated Infrastructure Improvements (The Stitch)

I. General Project Information

A. Overview

The Atlanta Downtown Improvement District (ADID) is soliciting SOQs from qualified firm(s) or organization(s) to provide consultant services for general engineering services in support of I-75/I-85 capping from Baker St/Piedmont Ave bridge to Ted Turner Drive bridge and associated infrastructure improvements (the Stitch).

This Request for Qualifications (RFQ) seeks to identify potential providers for the Scope of Services for the project/contract listed in Exhibit I. Firms that respond to this RFQ, and are determined by ADID to be sufficiently qualified, may be deemed eligible, and invited to offer a technical approach and/or possibly present and/or interview for these services. All respondents to this RFQ are subject to instructions communicated in this document, and are cautioned to completely review the entire RFQ and follow instructions carefully. ADID reserves the right to reject any or all Statements of Qualifications, Technical Approach and DBE Utilization Plan, and to waive technicalities and informalities at the discretion of ADID.

B. **IMPORTANT - A RESTRICTION OF COMMUNICATION IS IN EFFECT FOR THIS PROJECT.**

From the advertisement date of this solicitation until successful respondents are selected and the award is made official and announced, firms are not allowed to communicate about this solicitation or scope with any staff of ADID including Board Members, except for the submission of questions as instructed in the RFQ, or with the contact designated in **RFQ Section VIII.C.**, or as provided by any existing work agreement(s). For violation of this provision, ADID reserves the right to reject the submittal of the offending respondent.

C. **ADID follows the Atlanta Regional Commission's annual goal for DBE participation, currently 16.7%. This goal is not to be considered as a fixed quota, set aside or preference. The DBE goal can be met by prime contracting, sub-contracting, joint-venture or mentor/ protégé relationship.**

ADID will monitor and assess each consultant services submittals for their DBE participation and/or good faith effort in promoting equity and opportunity in accordance with the state of Georgia, Department of Transportation Disadvantage Business Program Plan.

ADID, as a matter of Policy, establishes race conscious goals on those U.S. DOT assisted contracts that have known subconsultant opportunities and DBE availability in the sub-consulting areas. However, a numerical DBE goal may not be established on every such contract or task order. Contract goals are adapted to the circumstances of each such contract (e.g., type of work, availability of DBEs to perform the particular type of work).

Depending on the contract type anticipated, Project Specific or Indefinite Delivery/Indefinite Quantity (IDIQ or On-Call), particularly described goal setting activity will be required and monitored for compliance by ADID.

Project Specific (incl Multi-Phase): Race Neutral Process. ADID adopts the Atlanta Regional Commission goal for DBE participation on its federally funded projects. A narrative shall be submitted in the Technical Approach and DBE Utilizations Plan that provides the Prime an opportunity to describe in detail how they propose to contribute to the Agency's overall goal on its contract. This narrative will be scored with a value of ten (10%) percent for the DBE Utilization Plan. The Prime Consultant must demonstrate Good Faith Efforts throughout the life of the contract. ADID PMs will utilize this narrative as the Project progresses as a point of accountability for various task orders and activities associated with the contract. The Annual Goal shall not be applicable when the scored narrative is utilized.

D. Scope of Services

Under the terms of the resulting Agreements, the selected consultants will provide general engineering services for the tasks identified on an as-authorized basis for the ADID Project identified. The anticipated scope of work for the project/contract is included in **Exhibit 1**.

In addition, ADID desires that the Consultant have the ability to provide, either with its own forces or through a sub-consultant team member, comprehensive services necessary to fulfill all general engineering services which may arise during the project cycle.

E. Contract Term and Type

ADID anticipates one (1) Multi-Phase, Project Specific contract to be awarded to one (1) firm, for each project/contract identified. ADID anticipates that the Contract Type may be Lump Sum, Cost Plus Fixed Fee, Cost per Unit of Work or Specific Rate of Compensation. As a Project Specific contract, it is ADID's intention that the Agreements will remain in effect until successful completion of the preliminary engineering phase of the projects, and may choose to utilize the selected consultant for use on construction revisions as necessary.

F. Contract Amount

Each Multi-Phase, Project Specific contract amount will be determined via negotiations with ADID. If ADID is unable to reach a satisfactory agreement and at reasonable rates to be paid for the services to be provided, ADID reserves the right to terminate negotiations with the highest scoring finalist and begin negotiations with the next highest scoring finalist.

G. Optional Pre-Bid Informational Meeting

ADID will hold a pre-bid meeting for this solicitation. While interested prime and subconsultant firms are encouraged to attend, participation is optional. The pre-bid meeting will be held virtually via Zoom meeting and registration ahead of the meeting is required to attend. Participants may submit questions and requests for clarification in writing via the chat window during the pre-bid meeting and ADID will provide informal responses during the meeting, and follow-up with formal responses published to the RFQ posting site. Pre-bid meeting time, date, and registration link is posted below:

RFQ-202405-01 Pre-Bid Meeting

Date: May 29, 2024

Time: 3:00 PM

II. Selection Method

A. Method of Communication

All general communication of relevant information regarding this solicitation will be made via the ADID website (<https://www.atlantadowntown.com/adid/about/notices>) under RFQ-202405-01. All firms are responsible for checking the ADID website on a regular basis for updates, clarifications, and announcements. ADID reserves the right to communicate via electronic-mail with the primary contact listed in the Statements of Qualifications. Other specific communications will be made as indicated in the remainder of this RFQ.

B. Selection of Finalists

Based on the Statements of Qualifications, Technical Approach, DBE Utilization Plan, and Past Performance submitted in response to the projects/contracts listed in this RFQ, the Selection Committee will review the **Experience and Qualifications** and **Resources and Workload Capacity** listed in **Section IV. Selection Criteria for Phase I** and the **Technical Approach and DBE Utilization Plan** listed in **Section V. Selection Criteria for Phase II**. The Selection Committee will discuss the submittals and the final rankings of the submittals will be determined. ADID reserves the right to request a presentation/interview on any project/contract as determined in its best interests; however, this additional requirement shall typically be reserved for the most complex projects. All members of the Selection Committee will review the Experience and Qualifications, Resources and Workload Capacity, Technical Approach, DBE Utilization Plan, and Past Performance (and will attend the presentation/interview if so chosen). **Firms shall not address any questions, prior to the award announcement, to anyone other than the designated contact.**

All firms must meet the minimum requirements as listed in **Section IV.A.** below.

C. Final Selection

Final selection will be determined by carrying the scores from **Phase I** forward for each Finalist and by evaluating the **Technical Approach, DBE Utilization Plan, and Past Performance** criteria for **Phase II**. The Selection Committee will discuss the Finalist's Phase II Responses and the final rankings will be determined.

Negotiations will then be initiated with the top-ranked firm(s) to finalize the terms and conditions of the contract(s), including the fees to be paid. In the event a satisfactory agreement cannot be reached with the highest-ranking firm(s), ADID will formally terminate the negotiations and possibly enter into negotiations with the second highest-ranking firm, and so on in turn until a mutual agreement is established and ADID awards a contract. The final form of the contract shall be developed by ADID.

III. Schedule of Events

The following Schedule of Events represents ADID’s best estimate of the Schedule that will be followed. All times indicated are prevailing times in Atlanta, Georgia. ADID reserves the right to adjust the Schedule as ADID deems necessary.

PHASE I & PHASE II	DATE	TIME
a. ADID issues public advertisement of RFQ-202405-01	05/22/2024	-----
b. Optional virtual pre-bid meeting for RFQ-202405-01	05/29/2024	3:00 PM
c. Deadline for submission of written questions and requests for clarification	05/31/2024	5:00 PM
d. Deadline for submission of Statements of Qualifications and Phase II Response	06/26/2024	5:00 PM
e. Finalist firm interviews (if requested)	07/8/2024– 07/10/2024	-----

IV. Selection Criteria for Phase I - Criteria for Evaluation of Statements of Qualifications**A. Area Class Requirements and Certification**

Presented teams must be prequalified with the Georgia Department of Transportation (GDOT) in the indicated Area Class(es) in order to be evaluated. Required proof of prequalification shall be submitted as indicated in **Section VI.C.4.** below. All Submittals will be pre-screened to verify that the Prime consultant has the required Area Class(es) and that the overall team has the required Area Class(es). Any submittal in which the Prime consultant or the overall team area class requirements are not met will be disqualified from further consideration.

Each submittal will require a certification to allow ADID to analyze risks in determining if any Firm should be ineligible for award. The certification shall cover a wide variety of information. Any firm which responds in any potentially concerning manner must provide additional information as directed herein for consideration by ADID to determine if Firm is eligible for award.

B. Project Manager, Key Team Leader(s) and Team’s Experience and Qualifications – 20%

The Selection Committee will evaluate all firms on their Experience and Qualifications, which shall account for a total of twenty percent (20%) of the total evaluation. **The following criteria for scoring Phase I of the evaluation will be utilized to determine which firms are shortlisted:**

1. Project Manager education, registration, relevant technical experience, relevant project management experience, experience in utilizing GDOT specific processes, manuals, or guidance.
2. Key Team Leaders’ education, registration, relevant technical experience, and relevant experience in utilizing GDOT specific processes, manuals, or guidance.
3. Team’s experience in delivering projects of similar complexity, size, scope, and function.

C. Project Manager, Key Team Leader(s) and Prime’s Resources and Workload Capacity – 20%

The Selection Committee will evaluate all firms on their Resources availability and Workload Capacity which shall account for a total of twenty percent (20%) of the total evaluation. **The following criteria for scoring the Resources and Workload Capacity will be utilized to determine which firms are shortlisted:**

1. Project Manager Workload
2. Workload capacity of Key Team Leader(s)
3. Resources dedicated to delivering project
4. Ability to Meet Project Schedule

D. Additional Resources and Challenges – 10%

The Selection Committee will evaluate all firms on their Additional Resources and approach to addressing specific challenges which shall account for a total of ten percent (10%) of the total evaluation. **The following criteria for scoring the Resources will be utilized to determine which firms are shortlisted:**

1. Identify and provide a brief description of additional resources, excluding the Project Manager, Key Team Leader(s) and Key Team Members, used to staff the contracts.
2. Describe how the additional resources identified will help address the specific challenges of the Stitch.

V. Selection Criteria for Phase II - Criteria for Evaluation of Technical Approach and Past Performance

A. Technical Approach – 30%

The Selection Committee will evaluate the shortlisted firms (Finalists) on their Technical Approach, which shall account for a total of thirty- percent (30%). The Selection Committee shall utilize the following additional criteria for scoring Phase II of the evaluation to determine the highest ranked/most qualified (**NOTE: Scores from Phase I will be carried forward and combined with the scores from the Phase II to determine the final ranking of Finalists**):

1. Provide any unique technical approaches your firm offers relative to scheduling, cost estimation, plan review, and/or management of the project.
2. Identify any unique challenges of the project and how your firm intends to mitigate these challenges, including quality control, quality assurance procedures, etc.
3. Provide any specific qualifications, skills, knowledge of the project and project area which may uniquely benefit the client or project, and your ability and willingness to meet time requirements.
4. Provide any high-level ideas that may add value or streamline existing project management activities and processes

B. DBE Utilization Plan – 10%

The Selection Committee will evaluate shortlisted firms on their DBE Utilization Plan, which shall account for a total of ten percent (10%) percent of the total evaluation.

ADID follows the Atlanta Regional Commission’s established DBE goals for federally-funded projects, currently set at 16.7%, in accordance with its mandated responsibilities under 49 CFR 26. Although ADID asserts an overall annual goal of 16.7%, in accordance with its mandated responsibilities under 49 CFR 26, ADID effectuates this goal by employing project-specific goals on each project; taking into full consideration the individual characteristics and nuances of those projects. These project-specific goals may be greater than or less than the overall annual goal. Equally as important, ADID is deeply committed to increasing the number of Disadvantaged Business Enterprises (DBE) firms that offer professional services, as well as increasing the capacity of current DBE professional services firms. As such, provide a narrative on how your firm proposes to contribute to the ADID’s overall annual goal. The narrative shall include the benefit to the DBE firm(s) in the associated advertised GDOT Area Class(es) for which each certified DBE firm will perform a Commercially Useful Function (CUF) under the resulting contract. CUF means that a DBE is independently playing a necessary and useful role in the project as required by 48 CFR 26.55. Respondents must identify and describe in detail their proposed DBE Utilization Plan for this project, which utilizes Georgia-certified DBEs for project participation. Each DBE Utilization Plan shall include the following:

- a. A Subcontractor Project Plan identifying the certified disadvantaged, small, or minority/female owned businesses that it intends to use to meet or exceed the established Atlanta Regional Commission and ADID

16.7% DBE participation goal. This plan must specifically indicate the nature of subcontracting contemplated. The plan must also detail the company name, contact person, address, telephone number, and work description for each business enterprise (disadvantaged, small, non-minority, minority, or female owned) to be utilized on the project.

- b. A signed and dated DBE Participation Statement for each certified DBE firm that will be utilized in your plan. The participation statement must be certified that their DBE firm is listed in Georgia State Unified Certifications Program (UCP) Directory with an active status and include the duty to communicate.

Each DBE Utilization Plan must vividly show Good Faith Efforts (GFE) to achieve the DBE Goal as well as the ability for ADID to determine the extent of compliance with the proposed plan. In instances where a firm has been unable to meet its proposed DBE Goal, even after taking all timely and continuous action steps throughout the life of the project, the firm shall submit the required GFE documentation for a final GFE assessment and determination, in accordance with 49 CFR 26.

C. Past Performance – 10%

The Selection Committee may consider information provided via references provided for relevant projects, knowledge any selection committee member has of performance on relevant projects, and performance evaluations or knowledge presented on other projects. The Selection Committee will consider all factors in their totality and score from 0 to 10 when arriving at a final score for the Past Performance.

VI. Instructions for Content and Preparation of Statements of Qualifications – Phase I Response

The Statements of Qualifications submittal must be submitted in accordance with the instructions provided in Section VIII, and must be **organized, categorized using the same headings (in red), and numbered and lettered** exactly as outlined below, and must be responsive to all requested information. For the sections in which page number limits are stated, each section with a stated limit must begin on a new page and end on the last page allowed for the section. **It is not allowed to begin new sections on a page allowed for a previous section, if applicable. This will enable ADID to ensure compliance with the page limitations.**

Cover page – Each project/contract submittal must have a separate cover page for each copy of each submittal for each project/contract and each must list the RFQ#, RFQ Title, proposing firm's full legal name and the specific project contract being submitted on to include the Project Numbers, PI Numbers, County(ies), and Description.

A. Administrative Requirements

It is required to submit the information below for each copy of each submittal. This is general information and will not be scored but may be used to determine eligibility for selection. **Under Administrative Requirements section, only submit the information requested; additional information will be subject to disqualification of your firm.**

1. Basic company information:

- a. **Company name.**
- b. **Company Headquarter Address.**
- c. **Contact Information** - Name and all contact information (telephone number(s) and e-mail address) of primary proposing contact (this will be the individual with whom ADID will direct all communications).
- d. **Company website** (if available).
- e. **Georgia Addresses** - Identify and provide addresses for the offices located in the State of Georgia.
- f. **Staff** - List the number and disciplines of staff members employed in each office in the State of Georgia.
- g. **Ownership** - Provide form of ownership, including state of residency or incorporation, and number of years in business. Is the Offeror a sole proprietorship, partnership, corporation, limited liability Corporation, or other structure?

2. **Certification Form** - Complete the Certification Form (*Exhibit "II" enclosed with RFQ*), and provide a notarized original within the firm's Statement of Qualifications. This is to be submitted for the Prime **ONLY**.

3. **Georgia Security and Immigration Compliance Act Affidavit** – Complete the form (*Exhibit “III” enclosed with RFQ*), and provide a notarized original within the firm’s Statement of Qualifications. This is to be submitted for the Prime **ONLY**.
4. **Addenda** - Signed cover page of any Addenda issued for the Prime **ONLY**.

B. Experience and Qualifications

1. **Project Manager** - Provide information pertaining to the project manager, including but not limited to:
 - a. **Education**.
 - b. **Registration** (if necessary and applicable.)
 - c. **Relevant experience**.
 - d. **Relevant project management experience** for projects of similar complexity, size, scope, and function.
 - e. **Relevant experience utilizing GDOT specific processes, manuals, or guidance** (Plan Development Process, Design Policy, Environmental Procedures Manual, etc.).

This information is limited to two (2) pages maximum.

2. **Key Team Leaders** - Provide experience of Key Team Leaders (defined as those individuals who oversee project areas determined as particularly important to each specific project, refer to the Project Description in **Exhibit I-1, specifically Section 7** for the list of Key Team Leaders for each Project). For each Key Team Leader identified provide:
 - a. **Education**.
 - b. **Registration** (if necessary and applicable.)
 - c. **Relevant experience** in the applicable resource area of the most relevant projects.
 - d. **Relevant experience utilizing GDOT specific processes, manuals, or guidance** (PDP, Design Policy, Environmental Procedures Manual, etc.) which are specific to the key team leader’s area.

This information is limited to one (1) page maximum for each Key Team Leader identified in Section 7 of Exhibit I-1. Respondents submitting more than one (1) page for each Key Team Leader identified will be subject to disqualification. If desired, teams may use the same individual for two or more Key Team Leader categories so long as their experience is relevant to multiple categories and the resource is not overutilized. If the same individual is identified for multiple Key Team Leader categories, teams may submit one (1) page maximum for each category. Respondents who provide more Key Team Leaders than what is outlined in the requirement will be subject to disqualification as this would provide an advantage over firms who complied with the requirement and had the required number of Key Team Leaders. Respondents who do not provide the required Key Team Leaders will be subject to disqualification as this does not meet the requirements of the project and therefore would deem the respondent and its team unqualified for the award.

3. **Team Experience** - Provide information on the team’s experience and ability in delivering effective services for projects of similar complexity, size, scope, and function, which demonstrate the firm’s capabilities to provide services for ADID. For each project, the following information should be provided:
 - a. **Client name, project location and dates** during which services were performed.
 - b. **Description of overall project and services performed**. Specify which firm(s) on the team performed the services.
 - c. **Duration of project services provided** by your firm, and overall project budget.
 - d. **Experience utilizing GDOT specific processes, manuals, or guidance, if applicable** (PDP, Design Policy, Environmental Procedures Manual, etc.)
 - e. **Client(s) current contact information** including contact names, telephone numbers and **e-mail address**.
 - f. **Involvement of Key Team Leaders** on the projects.

This information is limited to two (2) pages maximum.

4. **Area Class Summary Form and Notice of Professional Consultant Qualifications** - Prime Consultants are defined as the firm submitting the Statement of Qualifications and the firm with whom ADID will contract. The Team is defined as the Prime Consultant and their sub-consultants, who are considered team members. Prime Consultants and their sub-consultant team members must meet the Area Class requirements listed in

Exhibit I-1 for each project on which they apply. In regards to the required Area Classes, for each project/contract on which they apply, respondents should submit a summary form (example provided in Exhibit IV) which details the required area classes for the Prime Consultant and all sub-consultants or joint-venture of consultants on the team listed in the Statement of Qualifications. The area classes and firm’s meeting the area classes listed on the summary form must meet all required area classes or the team will be disqualified. If a team member’s prequalification will expire prior to the due date of the SOQs, documentation must be provided which shows that the firm has submitted its application for prequalification prior to the SOQ due date. The team must maintain its prequalification certification in order to be considered eligible for award if selected. **Additionally, respondents should submit the Notice of Professional Consultant Qualifications (for the Prime Consultant and all sub-consultants for each project) issued by GDOT and attach after the Area Class summary form.**

This information is limited to the one page for the Area Class table (unless the project needs require an extensive list of area classes) and the required Notice of Professional Consultant Qualifications.

C. Resources/Workload Capacity

1. **Overall Resources** - Provide information regarding the overall resources dedicated to delivering the specific project, including:
 - a. **Organizational chart** which identifies the project manager, prime, Key Team Leaders, support personnel, and reporting structure. This chart may be submitted on a 11” x 17” page. **(Excluded from the page count)**
 - b. **Primary Office** - Identify and discuss the primary office which will be responsible for handling the specific project and the number and types of staff within the office and how this office could benefit the project and promote efficiency. **This information to be included on the one (1) page with the Narrative on Additional Resource Areas and Ability.**
 - c. **Narrative on Additional Resource Areas and Ability** – Respondents are to provide information regarding additional resource areas identified as important to the project, to discuss how the key areas will integrate and work together on the project, to discuss any information which is pertinent to these areas, to provide a narrative regarding how the organization of the team, including the PM and Key Team Leaders can deliver the project on schedule given their workload capacity. (ADID recognizes that some individuals may be able to meet the schedule while carrying heavier project loads.) Respondents may discuss the advantages of your team and the abilities of the team members which will enable the project to meet the proposed schedule as identified in **Exhibit I-1** (where applicable). If there is no proposed schedule, discuss the advantages of the team and the abilities of the team members which will enable the project to move as expeditiously as possible. **Respondents submitting more than the one (1) page allowed (combined for C.1.b. and C.1.c.) will be subject to disqualification.**
 - d. **Identify Additional Resources** – Respondents are allowed one (1) page to provide information on additional resources, outside of the Project Manager, Key Team Leaders and Key Team Member, providing a brief description of the resource and describe how the additional resources identified will help address project specific challenges. **Respondents submitting more than the one (1) page allowed will be subject to disqualification.**

2. **Project Manager Commitment Table** - Provide a list of ALL projects (ADID, GDOT, other governments and private contracts – Information may be validated and any firm determined not to be listing all projects may be subject to disqualification) on which the proposed project manager is currently committed, to enable ADID to ascertain the project manager’s availability. Utilize a table similar to the following format with a minimum of all criteria indicated to provide the requested information:

Project Manager	PI/Project # for GDOT Projects/Name of Customer for Non-GDOT Projects	Role of PM on Project	Project Description	Current Phase of Project	Current Status of Project	Monthly Time Commitment in Hours

3. **Key Team Leader Project Commitment Table** - Provide a table similar to the below, with a minimum of all criteria indicated, which identifies ALL projects the Key Team Leaders (refer to the Project Description in **Exhibit I-1**, specifically **Section 7** for the list of Key Team Leaders for each Project) are committed on to enable ADID to ascertain the available capacity.

Key Team Leader	PI/Project # for GDOT Projects/Name of Customer for Non-GDOT Projects	Role of Key Team Leader on Project	Project Description	Current Phase of Project	Current Status of Project	Monthly Time Commitment in Hours

The information is limited to the organization chart (excluded from page count), [one (1) page of text to include both C.1.b. Primary Office and C.1.c. Narrative on Additional Resource Areas], one (1) page of text for Identify Additional Resources, and tables in C.2. and C.3.

VII. Instructions for Preparing Technical Approach, DBE Utilization Plan, and Past Performance Response – Phase II Response

The Selection Committee will evaluate submitting firms using the information provided as requested below (NOTE: Scores from Phase I will be carried forward to Phase II):

The Phase II response must be submitted in accordance with the instructions provided in Section IX, and must be **organized, categorized using the same headings (in red), and numbered and lettered** exactly as outlined below, and must be responsive to all requested information. For the sections in which page number limits are stated, each section with a stated limit must begin on a new page and end on the last page allowed for the section. **It is not allowed to begin new sections on a page allowed for a previous section, if applicable. This will enable ADID to ensure compliance with the page limitations.**

A. Phase II Response Technical Approach and DBE Utilization Plan

1. Technical Approach

- a. Provide any unique technical approaches your firm offers relative to scheduling, cost estimation, plan review, and/or management of the project.
- b. Identify any unique challenges of the project and how your firm intends to mitigate these challenges, including quality control, quality assurance procedures, etc..
- c. Provide any specific qualifications, skills, knowledge of the project and project area which may uniquely benefit the client or project, and your ability and willingness to meet time requirements.
- d. Provide any high-level ideas that may add value or streamline existing project management activities and processes

This information will be limited to a maximum of four (4) pages.

2. DBE Utilization Plan

Provide a narrative on how your firm proposes to contribute to ADID's project goal. The narrative shall include the benefit to the DBE firm(s) in the associated advertised GDOT Area Class(es) for which each certified DBE firm will perform a Commercially Useful Function (CUF) under the resulting contract. CUF means that a DBE is independently playing a necessary and useful role in the project as required by 48 CFR 26.55. Respondents must identify and describe in detail their proposed DBE Utilization Plan for the project, which utilizes Georgia-certified DBEs for project participation. Each DBE Utilization Plan shall include the following:

- a. A Subcontractor Project Plan identifying the certified disadvantaged, small, or minority/female owned businesses that it intends to use to meet or exceed the established Atlanta Regional Commission and ADID 16.7% DBE participation goal. This plan must specifically indicate the nature of subcontracting contemplated. The plan must also detail the company name, contact person, address, telephone number, and work

description for each business enterprise (disadvantaged, small, non-minority, minority, or female owned) to be utilized on the project.

This information will be limited to a maximum of one (1) page.

- b. Complete one DBE Participation Commitment Statement for each certified DBE firm that will be utilized in your plan. **(EXHIBIT “V” enclosed with RFQ) and provide with the firm’s Technical Approach and DBE Utilization Plan. (Excluded from the page count)**
- c. Complete the Certification Form **(EXHIBIT “VI” enclosed with RFQ) and provide a notarized original within the firm’s Technical Approach and DBE Utilization Plan.** This is to be submitted for the Prime **ONLY.** **(Excluded from the page count)**

B. Past Performance

No additional information should be submitted to fulfill this requirement. Information from the relevant projects listed as well as information on file with ADID will be used to fulfill this requirement.

Past performance may be evaluated through the checking of project references for the proposed project manager as well as the firm. ADID will check these references at random. For this reason, attention should be paid to the references provided to ensure that the contact information provided is accurate and the individual references are reachable. Other past performance information which may be utilized includes GDOT consultant performance ratings as well as knowledge that any member of the Selection Committee has pertaining to the past performance of the firm on any project.

VIII. Instructions for Submittal for Combined Phase I and Phase II Response

- A. There is one (1) electronic version submittal required. The Submittal must follow the format and meet the content requirements identified in **Section VI, entitled Instructions for Content and Preparation of Statements of Qualifications – Phase I Response and Section VII, entitled Instructions for Preparing Technical Approach, DBE Utilization Plan, and Past Performance Response - Phase II Response.** See **Attachment 1** for a summary of how the submittals should be prepared.
- B. Submittals must be typed on standard (8½” x 11”) paper. The pages should be numbered, however, submittal pages will be counted by section to determine compliance with page limits. Responses are limited to the page counts indicated in each section using a minimum of size 11 font. Page counts will be determined by pages with print on them, not by the physical piece of paper. Each Statement of Qualifications shall be prepared simply and economically as indicated above. Colored displays, and promotional materials are not desired. Emphasis must be on completeness, relevance, and clarity of content.

NOTE: Additional pages other than what has been specified above in each section should not be included and will be grounds for disqualification. Hyperlinks or embedded video are not allowed.

Statements of Qualifications submittals must be a PDF document for each project/contract. Each PDF document must follow the naming convention for electronic records as follows: the proposing firm’s full legal name, RFQ#, RFQ Title and the specific project contract number being submitted on. To submit your Statement of Qualification, send an email with the subject line: “[Proposing Firm’s Name] Phase I & II Submittal for RFQ-202405-01, Planning & Engineering Design Services in Support of the Stitch” to the email address: proposals@atlantadowntown.com

Upon successful receipt of the electronic submittal, ADID will send a receipt confirmation e-mail to the sender. **If you do not receive an email receipt confirmation for your submittal within one (1) hour of your submittal, please contact Jack Cebe at jcebe@atlantadowntown.com**

Statements of Qualifications **must be received by ADID** prior to the deadline indicated in the Schedule of Events (*Section III of RFQ*).

No submittals will be accepted after the time and date set for receipt.

All expenses for preparing and submitting responses are the sole cost of the party submitting the response. ADID is not obligated to any party to reimburse such expenses. All submittals upon receipt become the property of ADID. Labeling information provided in submittals “proprietary” or “confidential”, or any other designation of restricted use will not protect the information from public view. Subject to the provisions of the Open Records Act, the details of the proposal documents will remain confidential until final award.

ADID reserves the right, in its sole discretion, to waive any technicalities associated with this submittal if deemed in the best interest of the State.

C. Questions and Requests for Clarification

Questions about any aspect of the RFQ, or the project, shall be submitted in writing via e-mail to ADID at **e-mail: proposals@atlantadowntown.com**. The deadlines for submission of questions relating to the RFQ are the times and dates shown in the (**Schedule of Events- Section III**). From the issue date of this solicitation until a successful proposer is selected and the award is made official and announced, respondents are subject to the Restriction of Communication in **Section I.B**.

IX. ADID Terms and Conditions

A. Statement of Agreement

With the submission of a SOQ, the respondent agrees that he/she has carefully examined the Request for Qualifications, and agrees that it is the respondent's responsibility to request clarification on any issues in any section of the Request for Qualifications with which the respondent disagrees or needs clarified. The respondent also understands that failure to mention these items during the question period or in the SOQ will be interpreted to mean that the respondent is in full agreement with the terms, conditions, specifications and requirements in the therein. With submission of a SOQ, the respondent hereby certifies: (a) that this SOQ is genuine and is not made in the interest or on behalf of any undisclosed person, firm, or corporation; (b) that respondent has not directly or indirectly included or solicited any other respondent to put in a false or insincere SOQ; (c) that respondent has not solicited or induced any person, firm, or corporation to refrain from sending a SOQ.

The respondent also understands that failure to provide required information may result in disqualification. Failure to provide administrative information may not result in disqualification. At ADID's discretion, it may notify the respondent that administrative information is not provided or there was an error in the information provided, **and** the allow a respondent to provide an update to the administrative information. However, the exception to this is the provision of the required **GEORGIA SECURITY AND IMMIGRATION COMPLIANCE ACT AFFIDAVIT**, which by Georgia Law requires disqualification of the response. The above changes mentioned to administrative information would be considered allowable as these would be limited to changes which **do not** affect the information which the evaluators use to score the respondents. Failure of a respondent to provide the specific administrative information as required in the notice will result in disqualification. Any respondent who provides changes in addition to the information requested in the notice shall be subject to disqualification. Failure of a respondent's SOQ to provide any information pertaining to a respondent and its teams qualifications, of any type, will subject the SOQ to disqualification. ADID will not allow updates to qualifications to be provided to avoid disqualification as this would allow a respondent to modify its SOQ and alter the information which evaluators would score. The above changes related to qualifications would not be allowable as these would allow changes which **do** affect the information which the evaluators use to score the respondents SOQ.

B. Joint-Venture Proposals, Sub-Consultants, and Vendors

ADID does not generally desire to enter into “joint-venture” agreements with multiple firms. In the event two or more firms desire to “joint-venture”, it is strongly recommended that one incorporated firm propose and maintain status as the Program Management firm with the remaining firms participating as major firms. Any joint-venture, proposed and established as a separate business entity, should have its own set of books and supporting documentation sufficient for an audit trail. Transactions should be recorded consistent with the joint-venture agreement, and care

must be taken to ensure that the joint-venture bears its equitable share of the costs. Therefore, “unpopulated joint-ventures” would not have an adequate accounting system suitable for cost reimbursement contracts.

However more traditional “populated joint-ventures” are welcomed. A populated joint-venture is where an alliance is brought to life by infusing it with working capital, employees, and control systems. The alliance implements all necessary business systems, including payroll processing, purchasing, property control, etc. The alliance will develop its own indirect rate structure and calculates its own indirect cost rates, based on the direct and indirect costs it incurs.

Sub-Consultants shall generally be considered any team member which is performing any service which typically requires prequalification, which is subject to the Audit and Accounting System Requirements, and whose services are billed as costs. Sub-Consultant Team Members must be written into the resulting Agreement and are subject to all terms and conditions in the Agreement. Vendors shall be considered any team member which is performing any service which typically does not require prequalification, which is not subject to the Audit and Accounting System Requirements, and whose services are billed as direct expenses. Vendors may not be written into the resulting Agreement and may not be subject to all terms and conditions in the Agreement.

C. Non-Discrimination and DBE Requirements

ADID, in accordance with Title VI of the Civil Rights Act of 1964 and 78 Stat. 252, 42 USC 2000d--42 and Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, part 21, Nondiscrimination in federally assisted programs of the Department of Transportation issued pursuant to such Act, hereby notifies all proposers that it will affirmatively ensure that any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, sex, or national origin in consideration for an award.

ADID follows the Atlanta Regional Commission’s annual goal for DBE participation, currently 16.7%, across all federally funded contracts. This goal is not to be considered as a fixed quota, set aside or preference. The DBE goal can be met by prime contracting, sub-contracting, joint-venture or mentor/ protégé relationship.

ADID will monitor and assess each consultant services submittals for their DBE participation and/or good faith effort in promoting equity and opportunity in accordance with the state of Georgia, Department of Transportation Disadvantage Business Program Plan.

For more information on the GDOT DBE Program please contact:

Georgia Department of Transportation
Equal Opportunity Division
One Georgia Center, 7th Floor
600 West Peachtree Street, NW
Atlanta, Georgia 30308
Phone: (404) 631-1972

D. Audit and Accounting System Requirements

ADID reserves the right to reject any proposal with firms that do not meet the following requirements:

1. Firm(s) should have an accounting system in place to meet requirements of 48 CFR Part 31 and, in the case of non-profit organizations, OMB Circular A-122.
2. Any firm that currently has an aggregate contract amount exceeding \$250,000 should have submitted their yearly CPA overhead audit.
3. Firm(s) should have no significant outstanding deficient audit findings from previous contracts with GDOT that have not been resolved.
4. The prime is responsible for being reasonably assured that all sub-consultant(s) presented as a part of the proposed team are similarly in compliance with the above requirements.

E. Submittal Costs and Confidentiality

All expenses for preparing and submitting responses are the sole cost of the respondent submitting the response. ADID is not obligated to any respondent to reimburse such expenses. All submittals upon receipt become the property of the ADID. Labeling information provided in submittals as “proprietary” or “confidential”, or any other designation of restricted use will not protect the information from public view. Subject to the provisions of the Open Records Act where applicable, the details of the proposal documents will remain confidential until a final award.

F. Award Conditions

This request is not an offer to contract or a solicitation of bids. This request and any proposal submitted in response, regardless of whether the proposal is determined to be the best proposal, is not binding upon ADID and does not obligate ADID to procure or contract for any services. Neither ADID nor any respondent submitting a response will be bound unless and until a written contract mutually accepted by both parties is negotiated as to its terms and conditions and is signed by ADID and a respondent containing such terms and conditions as are negotiated between those parties. ADID reserves the right to waive non-compliance with any requirements of this Request for Qualifications and to reject any or all proposals submitted in responses. Upon review of responses, ADID will determine the respondent(s) proposal that in the sole judgment of ADID is in the best interest of ADID (if any is so determined), with respect to the evaluation criteria stated herein. ADID then intends to conduct negotiations with such respondent(s) to determine if an acceptable contract may be reached.

If any potential supplier disputes ADID selection, such a dispute shall be resolved by binding mediation in Atlanta at the supplier’s expense. By submitting a bid or proposal, supplier waives any claim to injunctive relief and agrees that its legal remedies, if any, shall be limited to bid and proposal preparation costs.

G. Debriefings

In lieu of Pre-Award and Post-Award debriefings, it shall be ADID’s policy to provide the “Selection Package” at the time of the Selection Announcement (also referred to as the Announcement of Entering into Negotiations). The “Selection Package” will include the scores and comments of phases for all firms who responded and will typically be provided as a PDF file and e-mailed. Previously, pre-award debriefings only provided the scores and comments of the firm. It shall be the policy of ADID that all debriefings will typically be conducted in writing.

H. Right to Cancel or Change RFQ

ADID reserves the right to cancel any and all Request for Qualifications where it is determined to be in the best interest of ADID to do so. ADID reserves the right to increase, reduce, add or delete any item in this solicitation as deemed necessary.

It is the responsibility of all firms interested in submitting Statement of Qualifications (SOQs) for this advertisement to routinely check the posting on the ADID website for any revisions to this RFQ.

I. Substitutions, Alternates, Exceptions, and Extensions

No substitutions or alternates will be accepted for this solicitation. Any respondent submitting substitutions or alternates will be considered non-responsive and will not be considered for award.

Project/Contract 1

1. Project Number(s): AT-384, AT-381, and AT-379
2. PI Number(s): 0019180
3. County(ies): Fulton
4. Description: I-75/I-85 CAPPING - THE STITCH

The Stitch is a proposed transformational investment that aims to reclaim approximately 14 acres of new urban greenspace atop a new, $\frac{3}{4}$ mile platform spanning the I-75/I-85 Downtown Connector between Ted Turner Drive/the Civic Center MARTA Center (at West Peachtree Street) and Piedmont Avenue.

The goals for the The Stitch are to:

- Catalyze new development, including a substantial amount of affordable housing.
- Repurpose and revitalize underutilized assets, including the air space over the Connector, the Civic Center MARTA Station, the streets currently solely dedicated to vehicular throughput, and acres of nearby vacant private land.
- Reconnect the local street grid through new street segments and retrofits of existing rights-of-way to create safe, pedestrian-oriented, bikeable, storefront oriented streets.
- Improve access to jobs by fostering transit-oriented development at the Civic Center MARTA rail station and introducing an off-street local and commuter bus facility for improved passenger connections.
- Create accessible and programmed urban greenspace to improve the quality of life for current citizens and those enticed to relocate here to occupy newly built affordable and attainable housing in the preeminent intown location.
- Reestablish a vibrant community amenity with quality civic infrastructure and interconnected open spaces that contribute to health and wellness.
- Enhance safety on the Connector through the addition of a compliant shoulder and reduction in recurring flooding due to improved stormwater management.
- Improve the sustainability of Downtown Atlanta by locally addressing flooding and mitigating noise and air quality impacts, while broadly lowering emissions, increasing pedestrian and bicycle use, and incorporating innovative climate change mitigation strategies such as carbon capture technology.
- Redress the long-standing physical separation characterized by largescale infrastructure, noise, pollution, and flooding in the community created by the construction of a 16-lane interstate highway.

Previous studies and grant submittals for the project can be found on the project website www.thestitchatl.com and grant submittal website www.thestitchatl.com/rcn-grant. The previous RFQ for planning, design, and engineering services, RFQ 202208-01 is **provided as Attachment 1 to the RFQ, and posted as a separate file on the ADID website.**

5. Required Area Classes:

Prime Consultants are defined as the firm submitting the Statement of Qualifications and the firm with whom ADID will contract. The Team is defined as the Prime Consultant and their sub-consultants, who are considered team members. The Prime Consultant must be prequalified in the Area Classes identified below in Section 5.A. The Prime Consultant or sub-consultant team members must be prequalified in the Area Classes identified below in Section 5.B. Respondents should submit a summary form (example provided in **Exhibit IV**) which details the required area classes for the Prime Consultant and all sub-consultants or joint-venture of consultants on the team listed in the Statement of Qualifications. The area classes listed on the summary form must meet all required area classes or the team will be disqualified. The Prequalification Expiration Date must be current by the deadline stated for this RFQ.

1. The **Prime Consultant MUST** be prequalified by GDOT in each of the area classes listed below:

Number	Area Class
3.02	Urban Roadway Design
3.03	Complex Urban Roadway Design
3.05	Urban Interstate Highway Design
4.01(a) or (b)	Minor Bridge Design

2. The **Team** (either the Prime Consultant and/or one or more of their sub-consultant team members) **MUST** be prequalified by GDOT in the area classes listed below:

Number	Area Class
1.06(b)	History
1.06(c)	Air Studies
1.06(d)	Noise Studies
1.06(e)	Ecology
1.06(f)	Archaeology
1.07	Attitude, Opinion, and Community Value Studies (Public Involvement)
1.10	Traffic Projections
1.12	Major Investment Studies
1.13	Non-Motorized Transportation Planning
3.06	Traffic Operations Studies
3.07	Traffic Operations Design
3.08	Landscape Architecture
3.09	Traffic Control Systems Analysis, Design and Implementation
3.10	Utility Coordination
3.12	Hydraulic and Hydrological Studies (Roadway)
3.13	Bicycle and Pedestrian Facility Design
3.15	Highway Lighting and Outdoor Lighting
4.04	Hydraulic and Hydrological Studies (Bridges)
5.01	Land Surveying
5.02	Engineering Surveying
5.03	Geodetic Surveying
5.04(c)	Aerial Photography/Unmanned Aircraft System (Design Grade)
5.05	Aerial Photogrammetry
5.06(b)	Topographic Remote Sensing (Unmanned Aircraft System LIDAR) (Design Grade)
5.08	Overhead/Subsurface Utility Engineering (SUE)
6.01(a)	Soil Survey Studies
6.01(b)	Geological and Geophysical Studies
6.02	Bridge Foundation Studies
6.03	Hydraulic and Hydrologic Studies (Soils & Foundation)
6.05	Hazardous Waste Site Assessment Studies

6. Scope:

Under the terms of this Agreement, the selected consultant will provide general engineering support services including, but not limited to the following:

- 1.) Project management and coordination assistance,
- 2.) Critical Path Method schedules for the Pre-Let and Post-Let phases utilizing Primavera,
- 3.) Cost estimating services for various project components, including both construction and non-construction activities at (at least) four (4) stages of the project development: 1) Project Initiation, Concept Approval, Final Costing Plans, and Final RFP.
- 4.) Budgeting, expense tracking, and grants management support.
- 5.) Contract and task order scoping and negotiations assistance.
- 6.) Technical reviews of survey, planning, design, engineering, ROW, and utility submittals associated with the Stitch bridge structure and systems, park features, park buildings, local street improvements, interstate improvements, utility improvements, and ITS systems.
- 7.) Contract compliance review.
- 8.) Engineering analysis and technical advice on technical provisions to support procurement of Design Build project(s).
- 9.) Input on various strategic studies and policy considerations, as requested.
- 10.) Develop project-specific risk matrices and participate in risk workshops.
- 11.) Assist or lead with utility coordination, as directed.

The consultant is required to provide Subject Matter Experts (SMEs) in the fields of roadway, survey, drainage, structures, geotechnical, traffic engineering, landscape/hardscape, architecture (park structures), Intelligent Transportation Systems (ITS), tunnel design, environmental, and utilities to assist in technical design reviews submitted by the design teams.

Note: With respect to this contract, the Consultant will perform an Owner Representative function; therefore, ADID considers consultant compliance and internal management with protection of ADID's interests paramount. Additionally, the Prime Consultant and its subconsultants awarded this contract are required to inform the ADID of real or perceived conflicts of interest with regard to other work awarded by ADID, City of Atlanta, or GDOT.

7. Key Team Leaders:

- A. Scheduling Lead
- B. Bridge & Structural Design Lead
- C. Tunnel Systems Lead
- D. NEPA Lead
- E. Roadway Lead
- F. Parks & Landscape Architectural Design Lead

**EXHIBIT II
CERTIFICATION FORM**

I, _____, being duly sworn, state that I am _____ (title) of _____

_____ (firm) and hereby duly certify that I have read and understand the information presented in the attached proposal and any enclosure and exhibits thereto.

Initial each box below indicating certification. The person initialing must be the same person who signs the Certification Form. (If unable to initial any box for any reason, place an "X" in the applicable box and attach a statement explaining the non-certification.
