## PARTICIPATING MERCHANT LIST

Up to date list can be found online

Businesses are organized by category, however, offer more than just their category. This same list is found online and can be filtered for all that they offer!

## FREQUENTLY ASKED QUESTIONS

### DOES THE GIFT CARD EVER EXPIRE?

Your card will never expire, however, if the card is inactive for a year, EML (third-party provider) will charge a \$2.50 maintenance fee for every month of inactivity.

### CAN YOU ADD GRATUITY TO FINAL SALE?

Unfortunately, some locations you cannot add gratuity after the transaction is complete. You can ask the merchant to incorporate a TIP into your final sale or leave a cash TIP.

### WHY WAS MY CARD DECLINED AT A PARTICIPATING MERCHANT?

One of three reasons:

1. Your purchase exceeded the amount available on the gift card. You will need to provide another form of payment.
2. The gift card does not have any funds.
- 3.. The merchant is not an active participant or does not have an active point-of-sale system.

### CAN YOU EMAIL THE CARD?

Downtown Boise Gift Cards are physical cards that function like credit cards. Online sales can be shipped or purchased at one of our downtown locations.

### WHAT IF I LOST MY GIFT CARD?

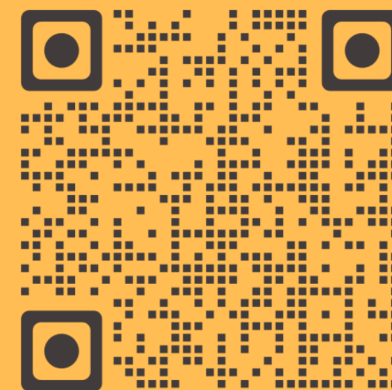

Some gift card information is required to perform a reissue. Please email [info@downtownboise.org](mailto:info@downtownboise.org) to assist you.
