GreenBike Race Participants Announced

Boise GreenBike is proud to announce the participants for the Fifth Annual Boise GreenBike Race as part of the Twilight Criterium, scheduled for Saturday (July 13) in downtown Boise. The event starts at 6:00 p.m. right before opening ceremonies for the Women's Pro race. In years past, the race was billed as a "Celebrity GreenBike Race," but this year organizers changed how riders were selected, opening it up to anyone who filled out an online questionnaire. They also added cash prizes for the top three finishers in both the men's and women's divisions. However, the prize money must be donated to charity.
