How to do Restaurant Week

Downtown Boise restaurants are exploring new menu items, bringing back old favorites, or just pairing classics with a unique twist. It's a great opportunity to find something new or finally visit that place you've always wanted to try! Getting in on the fun is easy— but requires a little planning. Here's how:

Step 1: Mark your calendar for Friday, October 25th – Sunday, November 3th.

Step 2: Peruse the menus online at downtownboise.org from the participating restaurants to decide which ones suit your fancy.

Step 3: Call each restaurant directly to check if they take reservations. Snag a reservation if they do, and mention that you're coming in for "Restaurant Week."

Step 4: Make sure you order off the special "Restaurant Week" menu, as participating restaurants will also offer their regular menu.

Step 5: Savor your meal, snap a photo and share with #dinedowntownboise and when paying your bill, please remember that drinks, tax, and tips are not included.

FRESH & TASTY.
