

Downtown Boise Association Stage Rental Description

Downtown Boise offers a Stage Rental Program that provides an opportunity for event organizers to rent a Stageline® SL50 Trailer Stage for various events, performances, and gatherings within [The Downtown Planning Area](#). This program allows individuals, organizations, and businesses to rent a stage at an affordable price while meeting their specific needs, contributing to a variety of cultural offerings and community engagement within the downtown area, fostering a vibrant and dynamic environment.

Program Objectives

- Increase cultural and community events within downtown area.
- Offer a versatile and affordable stage option for event organizers.
- Provide flexibility in terms of rental dates, duration, configuration, and technical capabilities, ensuring that there is a suitable stage available for any small-scale gatherings to large concerts or theatrical productions.

Program Guidelines

- Stage rentals available only within [downtown planning area](#).
- Reservations must be placed a minimum of 35 days prior to event date. Reservation is not guaranteed until date and use are approved by DBA.
- 90-minute minimum needed for stage set up prior to use or start of event.
- Stage is not equipped with full sound and speaker set-up; event organizers are responsible for hiring AV company.
- Stage is capable of backdrop and banner installation, must utilize stage operators or approved AV operators to hang.
- Event organizers are required to provide signed terms and agreement document, COI, and deposit prior to event date.
- DBA reserves the right to approve or deny any rental request.
