PARTNERSHIP**
North Bethesda's Urban Core

Eugene Cornelius, Executive Director, Pike District Partnership

In his role as Executive Director, Gene serves as the primary advocate and spokesperson for the Pike District and is tasked with fostering public-private partnerships on collaborative initiatives and growing membership participation in the organization.

Gene has more than 30 years of executive management experience in economic development and program management, most recently as the Senior Policy Advisor for the Milken Institute in Washington, D.C. Prior to Milken, Gene held senior positions at the International Council of Small Business and the U.S. Small Business Administration.
