1. Name of applying Entity:

46 BB King LLC Nick Patel

11227 Matthews Cove Ln Knoxville, Tn 37934 Sam Patel 9639 Grays Meadow Cordova, Tn 38018

2. Background information about the applicant and partnership structure.

The applicant is a partnership between Nick Patel (Knoxville, Tn) and Sam Patel (Memphis, Tn). Sam Patel has been raised as a Memphian for the last 35+ years and through his family been involved (owned and operated) in the Hospitality industry in and around Memphis. His family has a General Contractors company, Hospitality Builders of America, Inc. which has been building for the last 30+ years. Nick Patel is also in the Hospitality industry in East TN but has invested in the Memphis market since 2014 and continues to develop in this market. Both members see great value in Downtown Memphis and specifically this part of downtown. There seems to be a void of viable residential development between Beale Street (to the south) and the Renasant Convention Center (to the north). We see a vision to tie revitalize BB King Blvd between the two boundaries and assist in developing a neighborhood subset within the Core. We believe with the positive feedback we are receiving from surrounding community members, that this project will have a positive impact on the area.

3. Briefly describe the proposed project:

Project Description: The proposed project is the development of The Dermon Building located at the NE corner of BB King Blvd (3rd St) and Court Avenue in the Core of Downtown Memphis. This location is in a highly desirable area for living. The 10-story project will have 103 residential units with an average of 651 square feet each and approximately 2000 sq ft of flexible space on the ground floor. The property will have an outdoor lounge and pool area for the residents as well as a dog play area.

a. Economic and Environmental Impact: The previous owner completed an abatement of the environmental contaminants. The rehabilitation of this building will energize this area of downtown.

b. The Square footage of the building/ land area: The 10-story building is 90,000 square feet and sits on the corner at .5 acres.

Parking Strategy:

We are working with Dermon Capital Group who owns the parking lots East of the Dermon (Parcel ID's: 002027 00027, 002027 00025c, 002027 00024, 002027 00033, 002027 00034, 002027 00019, 002027, 00018) on a long term lease. In addition, we are communicating with the Hotel Indigo for a long term lease in their parking structure.

4. State the marketing plans for the project identifying the intended market. What types of lessees are anticipated? If the project is speculative, how long is full occupancy expected to take and who will manage the project?

This location in the Core of Downtown Memphis makes this site a highly desirable area for living and working. Upon completion of project, we expect leasing to be at 75% occupancy in the 1st year and 95% occupancy in the 2nd year. Leasing and property management will be handled by Multi-South Management Services, who specialize in multi-family residential property management.

5. Property Location:

11. Are any persons involved with project that are currently engaged in any civil or criminal proceedings?

No.

12. Is property historic?

Yes, listed on the National Register of Historic Places.

13. This application is made in order to induce the Memphis Center City Revenue Finance Corporation (CCRFC) to grant financial incentives to the applicant. The applicant hereby represents that all statements contained herein are true and correct. All information materially significant to the CCRFC in its consideration of the application is included. The applicant expressly consents to the CCRFC's investigation of its credit in connection with this application. The applicant acknowledges that it has reviewed the descriptions of the CCRFC financial program for which it is applying and agrees to comply with those policies. The applicant shall also be required to show a good faith effort with regard to the employment of MWBE contractors. The applicant specifically agrees to pay all reasonable costs, fees and expenses incurred by the CCRFC whether or not the incentive is granted or project completed.
