WHEREAS, Governor Greg Abbott, on or about April 27, 2020, expressed that local officials cannot require individuals to wear face masks to ensure that individual liberty is not infringed upon by government; and

WHEREAS, the transmission of COVID-19 has not dissipated but remains a significant threat to the health and safety of the Tarrant County Community and rates of infection are increasing at an exponential rate and the number of people admitted to hospitals, ICU, or on ventilators is also rising despite efforts by local authorities to control the spread; and

WHEREAS, by the authority vested in me as Tarrant County Judge to continue to protect the health and safety of the community and address developing and rapidly changing circumstances when presented by the current public health emergency, I hereby issue this Executive Order.

THEREFORE, pursuant to Texas Government Code Chapter 418 and the Texas Disaster Act of 1975, be It Proclaimed and **ORDERED** by the County Judge that effective at 6:00 p.m. on June 26, 2020, ("Effective Date") of this executive order and continuing through 6:00 a.m. on August 3, 2020, unless extended, modified or terminated early by the Tarrant County Judge or the Commissioners Court that:

1. From the date of this Executive Order, all entities¹ in Tarrant County providing goods or services directly to the public must develop and implement a health and safety policy ("**Health and Safety Policy**"). The Health and Safety Policy must require, at a minimum, that all employees and visitors to the entity's business premises wear face coverings when in an area or performing an activity which will necessarily involve close contact or proximity to co-workers or the public. The Health and Safety Policy may allow individuals with an operational need to remove a face covering so long as such operational needs are specifically addressed in the Health and Safety Policy. The Health and Safety Policy may also include the implementation of other mitigating measures designed to control and reduce the transmission of COVID-19 such as temperature checks or health screenings. Entities must post the Health and Safety Policy required by this Executive Order in a conspicuous location sufficient to provide notice to employees and visitors of all health and safety requirements. Failure to develop and implement the Health and Safety Policy required by this Executive Order within five (5) calendar days following the Effective Date may result in a fine not to exceed \$1,000 for each violation pursuant to Texas Government Code Section 418.173. An example Health and Safety Policy is provided on page 3.
2. Other than the exceptions specifically provided in the executive orders of Governor Greg Abbott, individuals in areas open to the public where social distancing is not feasible and where it is estimated that 100 people or more are present, are required to wear masks.
3. All people 10 years or older are strongly urged to wear a face covering over their nose and mouth when in an area open to the public where it is difficult to keep six feet away from other people or working in areas that involve proximity with coworkers. The CDC advises face coverings for people 2 years or older. Face coverings may include homemade masks, scarfs, bandanas, or a handkerchief. Tarrant County residents should continue to maintain social distancing of at least six feet while outside their home.
4. The requirement of a face covering does not apply if covering the nose and mouth poses a significant mental or physical health risk to the individual. The requirement of a face covering also does not apply when an individual is consuming a food or beverage or receiving a service where the wearing of a face covering would impair the performance of the service.
5. Any peace officer or other person with lawful authority is hereby authorized to enforce the provisions of this Executive Order as permitted by law.

ORDERED this the 25th day of June 2020.

B. Glen Whitley, County Judge

¹ For purposes of this Executive Order, the term "entities" shall include sole proprietorships.

Example Health and Safety Policy

The virus that causes COVID-19 can be spread to others by infected persons who have few or no symptoms. Because of the hidden nature of this threat, it is the policy of this business to require the following:

1. FACE COVERING REQUIRED IN ORDER TO ENTER AND REMAIN ON PREMISES. All persons over the age of ten (10), including employees, customers, visitors, invitees and contractors ("Patrons"), who enter this business must wear a face covering over their nose and mouth, such as a homemade mask, scarf, bandana, or handkerchief.

- The requirement of a face covering does not apply if covering the nose and mouth poses a significant mental or physical health risk to the individual.
- The requirement of a face covering also does not apply when an individual is consuming a food or beverage or receiving a service where the wearing of a mask would impair the performance of the service.

2. SOCIAL DISTANCING PROTOCOLS. Even with the use of appropriate face coverings, individuals should maintain six feet of social distancing whenever possible.

- Employees should not work within six (6) feet of one another, except to the extent necessary to provide services.
- Patrons should maintain six (6) feet of separation from other individuals outside their household, to the extent feasible when inside the business premises.
- Patrons of the business queuing or waiting inside or on the premises of the business must maintain six (6) feet of separation from other individuals outside their household.

3. VIOLATIONS. Patrons who do not wear a face covering will be asked to leave the premises and will not be provided goods or services until the face covering requirements are followed.

4. NOTICE AND SIGNAGE. Notice of this Health and Safety Policy will be posted in a conspicuous location of the business.
