1. Invitation to Submit Proposal

A. Invitation

1. You and your team are invited to submit a proposal to produce a seasonal, weekly farmers market, including recruiting farmers/vendors, obtaining City
of Houston permitting for the farmers market at Market Square Park (“the Park”) in Houston’s historic and bustling Downtown north-side.

2. The Park is operated and maintained by the Houston Downtown Management District (HDMD or “the Downtown District”). Programs and events in the Park are managed directly by the HDMD and through third-party Agreements and range from movies and music, bingo, exercise classes, family fun and games, night markets, and our seasonal Saturday Farmers Market.

3. This is a unique service opportunity for a provider to participate in the Park’s amenities and to align with, and contribute to, HDMD’s vision of Downtown as Houston’s heart of opportunity, excitement and joy, a cherished place at the intersection of global commerce and local culture.

4. With this exciting opportunity, the Downtown District looks to elevate both the function and experience of the Park, strengthen community bonds among Downtown residents, and create a draw for visitors from nearby neighborhoods and the greater Houston region.

5. The Park is a critical part of Houston’s Downtown vibe, and the Downtown District seeks a farmers market Producer who will elevate the Park as a destination and anchor for Downtown’s Historic District. The provider will advance farmers market operations for the Park’s patrons and contribute to positive experiences in Downtown. The Downtown District currently assigns a Park attendant and a Public Safety Guide between the hours of 7:00 am and 11:00 pm daily to support the Park experience and overall maintenance.

6. The Park attracts a range of clientele, from passersby looking for a green, urban oasis, to attendees of activations provided by the Downtown District, to residents who visit for dog parks, to those seeking a place for a meal, snack, or beverage in a shaded outdoor setting. The Park also serves as a meeting locale for area workers and friend gatherings. Over the past twelve months, the Park has averaged 4,700 visitors per week. Users are drawn to the Park’s programmed events, food offerings, and historic urban ambiance.

7. The Park’s location, size, amenities, and the Downtown District-led programming ensure this is a place to celebrate and enjoy Downtown’s urban ambience and diversity.

8. The Park was donated by Houston’s founders, the Allens, in 1854 and was the original open-air fish and produce market, as well as the location of the first City Hall. It has been a community gathering place and heart of Downtown for almost 170 years.
