LiveNFK Norfolk's Summer Career Launch 2023

The Downtown Norfolk Council, Greater Norfolk Corporation and Norfolk Innovation Corridor are excited to kick off the ninth year of **LiveNFK**, our talent recruitment program designed to bring together summer interns and seasonal associates to network and experience what it's like to live, work and play in Norfolk and the region. This summer's **LiveNFK** program, which is also open to first-year employees, is a combination of professional development and networking sessions and social/recreational events.

Participants in this year's **LiveNFK** program will have the opportunity to network with their peers and learn from influential members of the business community while experiencing recreational offerings in Norfolk.

LiveNFK SCHOLARSHIPS

Two (2) \$500 scholarships for school expenses (college or law school) will be awarded at the end of the program. Recipients will be selected based on participation. (First year employees participating in the program will be eligible to receive a gift card at the end of the program, based on participation.)
