Refreshments

Turboman Margarita

Inspired by the film "Jingle All the Way," we take Sauza tequila and Agavero liqueur and combine it with cranberry juice, strawberry syrup, a splash of Red Bull, and a gold sugar rim...
"It's turbo time!" - 9

Yippee-Ki-Yay Melon Farmer

"Die Hard" is one of the best Christmas movies ever, and we think John McClane would have enjoyed this before Hans Gruber ruined the party. This cocktail has triple deuce whiskey, Apple Pucker Schnapps, peach nectar, mango syrup and *ice grenade* for an explosively delicious drink! - 9

George Bailey(s) and Coffee

"It's a Wonderful Life" is a holiday classic and George Bailey inspired us with his coconut flake addition on chocolate ice cream for Mary in Gower's drugstore. This variation has Bailey's Irish Cream liqueur, Godiva liqueur, coconut syrup and coffee, and comes served with a rock candy stir stick. Clarence the angel gives it two wings up! - 10

Seasick Crocodile Punch (Non-alcoholic)

"You have all the tender sweetness of a seasick crocodile, Mr. Grinch..." The movie and the song helped us to create this drink. This concoction has cream soda mixed with orange juice, pineapple juice, and topped with whipped cream. And yes, the drink is green! -
