

# 2024 BDA AT-A-GLANCE CALENDAR

The BDA at-a-glance calendar provides a high-level look at recurring BDA meetings and events. This is a planning document to build awareness about BDA activities, coordinate actions between decision-making groups, and serve as a resource when aligning the BDA's work to other initiatives. **Note:** Recurring BDA meetings and events include breaks and are subject to change. This at-a-glance calendar will be updated to reflect changes throughout the year. See the version number and date below the calendar to check its relevancy.
